Academic Council
Academic Council
Composition of Academic Council
  * The Principal (Chairman)
  * All the Heads of Departments in the college
  * Four teachers of the college representing different categories of teaching
staff by rotation on the basis of seniority of service in the college.
  * Not less than four experts/academicians from outside the college
representing such areas as Industry, Commerce, Law, Education, Medicine,
Engineering, Sciences etc., to be nominated by the Governing Body.
  * Three nominees of the university not less than Professors.
  * A faculty member nominated by the Principal (Member Secretary).

Academic Council
Academic Council Members

Sr. No	Name	Designation in the Governing Body
1	Dr. Santosh Bhosle Director, RSCOE	Chairman
2	Prof. A.S. Devasthali Dy. Director, RSCOE	Members (All Deans & HODs)
4	Dr. R. B. Joshi Dean Academics	
5	Dr. S.C. Patil Dean, Research & Development	
6	Dr. S.P. Borde Dean, Student Progression & Industry Relations	
7	Dr. Rachyya R. Arekerimath Professor & Dean IQAC	
8	Dr. R.A. Dubal Dean, Student Affairs	
9	Dr. S. V. Kedar HOD Computer Engg	
10	Dr. A. M. Badadhe HOD Automation & Robotics	
11	Dr. S. N. Khan HOD Mechanical Engineering	
12	Dr. Ajit Patil HOD Civil Engineering	
13	Dr. Nihar Ranjan HOD Information Technology	
14	Dr. S.C.Wagaj HOD E&Tc Engineering	
15	Dr. S. L. Chavan HOD Electrical Engineering	
16	Dr. S.M. Yadav HOD Engg Sciences	
17	Dr.R. A. Dullu HOD MCA	
18	Dr. A. A. Chaudhari HOD MBA	
19	Dr. N.S. Mujumdar Sr. Professor in Maths	Members (04 Senior Teachers)
20	Dr. B.D. Jadhav Controller of Examinations	
21	Dr. Sunil Kandalkar Dean, Admin	
22	Dr. Binod Kumar Dean, Int. Relations	
23	Dr. K. K. Raina VC, Ramaiah University of Applied Sciences, Bangalore	Experts/Academicians from outside the college (Nominated by Governing Body)
24	Mr. K. N. S. Acharya Director – Global Engineering Academy L&T TECHNOLOGY SERVICES LIMITED	
25	Dr. O. G. Kakde Director IIIT Nagpur	
26	Dr. Ashish Verma Professor IISc Bengluru	
27	Dr. Jitendra Prasad Professor IIT Ropar	
28	Mr. Nitin Abhange Global Head of Performance Management & Total Rewards, TCS	
29	Mr. Hrishikesh Dhande Academic Relationship Manager, TCS	Special invitee
30	Dr. D.S. Bormane Principal AISSMS COE Pune	University Nominee
31	Dr. Suresh Gosavi Environment Studies Dept SPPU Pune	
32	Dr. Aditya Abhyankar Dean, Science & Technology, SPPU Pune	
33	Dr. P. B. Kumbharkar Dean Planning & Development	Member Secretary

Term
The term of the nominated members shall be three years.

Meetings
Academic Council shall meet at least twice a year.
Functions of the Academic Council
The Academic Council shall have powers to:
  1. Scrutinize and approve the proposals with or without modification of the Boards of Studies with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and evaluation arrangements, methods, procedures relevant thereto etc., provided that where the Academic Council differs on any proposal, it shall have the right to return the matter for reconsideration to the Board of Studies concerned or reject it, after giving reasons to do so.
  2. Make regulations regarding the admission of students to different programmes of study in the college keeping in view the policy of the Government.
  3. Make regulations for sports, extra-curricular activities, and proper maintenance and functioning of the playgrounds and hostels.
  4. Recommend to the Governing Body proposals for institution of new programmes of study.
  5. Recommend to the Governing Body institution of scholarships, studentships, fellowships, prizes and medals, and to frame regulations for the award of the same.
  6. Advise the Governing Body on suggestions(s) pertaining to academic affairs made by it.
  7. Perform such other functions as may be assigned by the Governing Body.

Department Of Information Technology
Department Highlights

* Accredited consecutively in 3 cycles by National Board of Accreditation (NBA), New Delhi
  * Collaboration with top IT industries for autonomy curriculum design and development
  * Collaboration with best Professional Chapters like CSI, ACM, IEEE to promote research activities.
  * Participation and Presenting best performance in top level coding and problem solving competitions like Smart India Hackathon(SIH), PCMC Hackathon, Codevita etc
  * Co-curricular and extra curricular activities under Student Association of I.T. (SAInT) and AndroIT club
  * Collaboration with International universities and industries for Industry Internships, Research, Higher studies and Entrepreneurship
  * 100% placement to eligible candidates.
  * Students Internship in International Universities viz. University of Malaysia-Pahang, Malaysia, KMITL, Thailand
  * Best result consistency which is more than 95 % from last 3 years of SE,TE,BE.
  * MoUs with renowned IT industries for Internships, Sponsored projects and consultancy services

About Department
The department of Information Technology at JSPM's Rajarshi Shahu College of Engineering is established in the year 2001 with intake of 45 seats which has been increased to 120 seats in year 2017. The basic aim of department is to give the best knowledge of various concepts and latest technologies through theory and practical's. The department includes well equipped laboratories and qualified staff members to shape the career of Engineers to survive in the competitive world of Software Industries. All Staff members encourage students to participate in extracurricular activities happening inside as well as outside of the college.

Department Of Computer Science And Business Systems

About Department

The department provides a B.Tech program in "Computer Science and Business Systems" to meet the growing demand for young engineering talent with technological abilities and management skills to inculcate worldwide competence. This course is based on TCS guidelines, and aims to provide students with industry-ready understanding of cutting-edge technology and business skills via hands-on experience, therefore improving their employability. The goals of this course are to help students understand current technology, technical abstraction, and basic business ideas, as well as to develop their Innovation Ability, Ethics, and Life Values. Innovative teaching and learning techniques are adopted to develop learning capacity through motivation, application, and practice.

The students are exposed to learn the recent trends such as Computational Statistics, Software Development Models, Design Thinking, Cognitive Science & Analytics, Machine Learning, Financial Management, Services Science & Service Operational Management, Marketing Research, and Marketing Management. The faculty members trained by TCS to deliver the program. The course maintains high standard of teaching, learning and evaluation processes monitored by TCS. Active mentoring by Experts from TCS is a regular feature. Students are encouraged to participate in extra and co-curricular activities. Technical seminars, workshops and project competitions are conducted regularly for students to make them competent.

Department Highlights

 * The curriculum is designed by faculty members closely working with eminent professionals from TCS and Academia.
  * Collaboration with TCS for curriculum development.
  * Industrial Training & live projects supported by TCS.
  * Curriculum encompassing Contemporary Technology and Technology Abstraction.
  * Knowledge of Common Business Principles.
  * Business Discipline and Service Orientation.
  * Innovation Ability.
  * Strong in Ethics and Life Values.
  * Dedicated faculty members trained by TCS to deliver the program.
  * High standard of teaching, learning and evaluation processes monitored by TCS.
  * Active mentoring by Experts from TCS.
  * Research activities & industry sponsored project for students and faculty members.
  * International Internships and student Exchange Program.
  * Department follows outcome-based teaching and learning process with emphasis on project-based learning.
  * Honor and Minor Courses offered.
  * International Certification offered (Microsoft, Coursera, Tedx).
  * Internship from International Universities.
  * Classrooms and Seminar Halls equipped with multimedia facility.
  * State of art laboratories and effective use of ICT in teaching and learning.
  * Strong Mentoring, Counseling and Guidance System for Students.
  * Professional Bodies – ACM, CSI, IEEE, IEI & ISTE.
  * Special track of Industry Internship, Research, Higher Studies and Entrepreneurship.
  * Inclusive Development of Students through student clubs.

Research Environment & Support

Research is the foundation of a nation's economic growth. In order to keep pace
with expanding frontiers of knowledge and global developments, the Internal
Research Committee is instituted. IRC comprises prominent educationists,
industry representatives of national and international repute for fostering
overall growth. The committee monitors and reviews research performance,
ensuring congruence among various departments, and to facilitate
multidisciplinary research work.

Institute Research Committee

Department Of Automation And Robotics

About Department

The department is recently established by the Institute from A.Y. 2021-22 with a UG program of intake capacity of 60. This program is approved by AICTE, New Delhi and Affiliated to the Savitribai Phule Pune University. The department is established to meet the growing demand for trained engineers in the field of Robotics and industrial Automation. The Department has a Centre of Excellence in Robotics and Automation which is established in association with TATA Automation Ltd (TAL), Pune. It has the Centre of Excellence in Mechatronics established in association with Nayan Electronics, Pune. The department is also featured with Centre for Training in IoT, ML & AI in association with India First Robotics, Pune

Department Highlights

  * Centre of Excellence in Robotics and Automation in with TATA Automation Ltd (TAL),Pune.
  * Centre of Excellence in Mechatronics in association with Nayan Electronics, Pune
  * Centre for Training in IoT, ML & AI in association with India First Robotics, Pune
  * Centre for High Speed Machining with CNC and VMC
  * Collaboration with Foreign Universities : King Mongkut's Institute of Technology Ladkrabang, Thailand, University Malaysia Pahang (UMP), University of Malaya , VSB - Technical University of Ostrava,Czech Republic , University of Sannio Benevento,Italy ,Joint School of Nano Science and Nano Engineering ,NC,USA for Internship/ Training/ Research and Higher Studies.
  * Special Track of Industry Internship, Research, Higher studies and Entrepreneurship in final year
  * Students participation in International Robotics Events at Belgium, Thailand, Malaysia and many more
  * MoUs with renowned industries for Internship, Sponsored Projects and Consultancy Services.
  * State-of-art infrastructure & lab enriched with industry based softwares
  * Opportunities to work on Live Projects
  * Empowering minds through Research & Innovation
  * Internship with Industries
  * Placement opportunities in MNCs

Institutional Account Work
  1. Hostel
  2. Store-Stationery
  3. Fulfillment of Statutory Requirement EPF, ST, eTDS Etc.

   4. Insurance Property, Equipment
   5. Works Related to Examination Finance

Account Section procedure to deal with financial aspects
  * To inform the financial position of the college to the Registrar, Principal and the Management whenever required or requested.
  * To Examine and ensure that the financial norms and code are followed by the section or the department
  * To prepare and present budget estimate with the requirements collected from all Head of Departments .
  * To Prepare the budget and income - expenditure statements, maintain all accounts and get them audited.
  * To scrutinize all bills of expenditure before recommendations for payment
  * To watch progress of the expenditure of fees grants etc.
  * To ensure various payments made from the college funds are within budget provision an with the sanction of competent authorities.
  * To attend the correspondence with state, Central Govt, U.G.C. and other higher authorities with the assistance of the Assistant accountant.
  * Liaison with other of finances such as Income Tax, Professional Tax, Provident Fund etc.
  * To prepare bank reconciliation statement budget and final accounts of funds.
  * To ensure accuracy in bank reconciliation statement and budget final account assigned

Admission Section
Eligibility Criteria For First Year Engineering Admissions
Undergraduate
  * We look after the application and admission process of potential and current applicants to full-time undergraduate degree course.

Eligibility Criteria (Engineering)
(A)First Year
1) Maharashtra State Candidature Candidate.
The Candidate should be an Indian National; Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects and obtained at least 50 % marks(at least 45% marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together. Passed Diploma in Engineering and Technology and obtained at least 50% marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only). Passed B.Sc. Degree from a Recognised University as defined by UGC and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only). Obtained score in CET conducted by the Competent Authority.
2) All India Candidature Candidates, Jammu and Kashmir Migrant Candidature Candidates.
(i) The Candidate should be an Indian National.
(ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical or Vocational subjects and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only) in the above subjects taken together.
OR
(ii) Passed Diploma in Engineering and Technology and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only).
OR
(ii) Passed B.Sc. Degree from a Recognised University as defined by University

Grants Commission and obtained at least 50 % marks (at least 45 % marks, in case of Backward class categories and Persons with Disability candidates belonging to Maharashtra State only).
(iii) Obtained score in CET or JEE Main Paper I.
***Note: (Dear Students, as per the admission and eligibility Act, 2015 (Mah. XXVIII of 2015) it is mandatory for all the students to fill in the online application form on DTE Maharashtra portal to seek "Inter-Se-Merit". Students with "Inter-Se-Merit no's are only eligible for engineering admission 2016-17)**

B) Direct Second Year (Lateral Entry),- For Maharashtra .
State Candidature Candidate and All India Candidature Candidate.
(i) The Candidate should be an Indian National.
(ii) Passed Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra State only) in appropriate branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent.
(iii) Passed B.Sc. Degree from a University Grants Commission (UGC) or Association of Indian Universities recognized University with at least 45% marks (40% in case of candidates of Backward class categories and Persons with Disability belonging to Maharashtra State only) and passed HSC with Mathematics as a subject Provided that students belonging to this category shall clear the subjects of Engineering Graphics/ Engineering Drawing and Engineering Mechanics of the first year Engineering Program along with second year subjects.
(iv) Any other criterion declared by appropriate authority from time to time.
This is brief information about F.E and Direct Second Year (Lateral Entry) admission for the year 2016-17.

For more details kindly visit following websites.
DTE :
Savitiribai Phule Pune University, Pune:
JEE main :

How to apply
Candidates are advised to follow the rules for admission to First Year Engineering and direct admission to Second Year Engineering degree courses as published by the Directorate of Technical Education, Maharashtra State from time to time. However some of the basic guidelines are given below. All the candidates are advised to submit their applications to the Admission Authorities notified by the Government of Maharashtra on or before the last date of application, unless specified differently elsewhere.

Fee Structure
The fee structure of the college will be as per the approval by the Shikshan Shulka Samiti.

Postgraduate
We look after the application and admission process of potential and current applicants to full-time Postgraduate degree course.

Eligibility
1) For Maharashtra Candidature Candidates and All India Candidature Candidates.
(i) The Candidate should be an Indian National.
(ii) Passed Bachelor Degree in the relevant field of Engineering and Technology from All India Council for Technical Education or Central or State Government approved institutions or equivalent, with at least 50% marks (at least 45% marks in case of candidates of Backward class categories and persons with disability belonging to Maharashtra State only).
(iii) Passed Bachelor Degree in the relevant course of Engineering and Technology as specified in the eligibility criteria for admission to a Post Graduate Degree course of the concerned University for which admission is being sought.
(iv) Obtained score in Graduates Aptitude Test in Engineering (GATE) conducted by Indian Institute of Technology.
(v) For sponsored candidates, minimum of two years of full time work experience in a registered firm/ company/ industry/ educational and/ or research institute/ any Government Department or Government Autonomous Organization in the relevant field in which admission is being sought.
**2) Children of NRI / OCI / PIO, Children of Indian workers in the Gulf

countries, Foreign National.**
(i) Passed Bachelor Degree in the relevant field of Engineering and Technology from All India Council for Technical Education or Central or State Government Approved institutions or equivalent, with at least 50 % marks
(ii) Passed Bachelor Degree in the relevant course of Engineering and Technology as specified in the eligibility criteria for admission to a Post Graduate Degree course of the concerned University for which admission is being sought
(iii) Any other criterion declared by appropriate authority from time to time.
An Admission Committee is responsible for overseeing the applications process to one or more of the above faculties. The Admission Committee will advise on entry requirements to specific courses, on application procedures etc. All decisions on admission are taken by the admission committee.

Student's Section

Students Can Apply for Following Student Section Activity
  1. Application for bonafide certificate.
  2. Application for T.C. /L.C.
  3. Application for student L.C. for Migration.
  4. Application for the student leaving without completing the course.
  5. Application for Character certificate.

Student's Section Provides Following Guidelines to The Student's
  1. FE to BE & ME Admission work.
  2. FE & SE [Direct] Admission, finalization of merit list to DTE, Pune DTE, Mumbai & PNS, Mumbai.
  3. Savitribai Phule Pune University eligibility FE, SE[Direct] & ME.
  4. Medical checkup of students.
  5. Online scholarship and freeship [SC, OBC, NT, SBC and Minority] work.
  6. To prepare Roll Call list.
  7. All type work related to student section.
  8. Admitted student's data entry on software.
  9. A.I.C.T.E. student's data entry.
  10. All documentations of STW/PTW, Merit Cum means scholarship [Minority], 80% above scholarship [PCM], defense scholarship.
  11. Preparation of Transfer Certificates.
  12. Preparation of bonafide, character certificate, other certificate
  13. Railway and ST Pass concession.
  14. Preparation of student register [SE to BE] every year.

Student Section support and services available from student section.
  1. Processing of admission to respective years.
  2. Preparation of provisional admission roll call list.
  3. Preparation of updated roll call lists after declaration of University examination results Analysis such as year down (Y. D.) students and eligibility of earlier Y.D. students.
  4. Preparation and issue of relevant certificates. Bonafide, Leaving Certificates.
  5. Processing of forms and maintenance of records.
  6. Display of notifications for information to the students, its follow-up. Preparation and maintenance of records and files providing information in prescribed formats to University, DTE, AICTE, Admission Regulatory Authority and Fee Regulatory Authority and any other competent authorities as per requirement.
  7. Handling queries of students and parents and providing necessary clarifications, help and support.
  8. Co ordinate correspondence with parents/students regarding attendance reports, performance reports, detention etc. in association with respective departments.
  9. Maintenance and updating of admission registers.

Quality Policy

Good, Better, Best, Never Let It Rest....!
We at JSPM are committed to provide value based quality education maintaining pace with changing technology to produce competent and skilled professionals ready to accept global challenges.
Quality Objectives
  1. To Inculcate the Motto "Excel and Prevail."
  2. To Imbibe Quality Consciousness At All Levels of the Staff.
  3. Strict NO to Compromise with Quality.
  4. Strive To Do Still Better.
  5. Discourage Short Cuts.

IQAC Functions
About IQAC
As per National Assessment and Accreditation Council (NAAC) guidelines every
accredited institution should establish an Internal Quality Assurance Cell
(IQAC) as a post-accreditation quality sustenance measure. Since quality
enhancement is a continuous process, the IQAC becomes a part of the
institution's system and works towards realization of the goals of quality
enhancement and sustenance. The prime task of the IQAC is to develop a system
for conscious, consistent and catalytic improvement in the overall performance

of institutions.
The primary aim of the IQAC is to develop the system for concise, consistent and catalytic action to improve the academic and administrative performance of the institution.

Internal Quality Assurance Cell (IQAC-RSCOE)
Internal Quality Assurance Cell (IQAC)

Sr. No	Name	Designation
1	Dr. Santosh Bhosle, Director RSCOE	Chairman
2	Prof. S. L. Bhilare, Director, JSPM	Member (Management)
3	Prof. A. S. Deosthali, Dy. Director RSCOE	Member (Administrative)
4	Dr. N. S. Mujumdar, Sr. Professor	Teacher Member
5	Dr. Rachayya R. Arakerimath, Dean (Quality Assurance)	Member Secretary & IQAC, Coordinator
6	Dr. S. G. Kandhalkar, Dean (Admin)	Teacher Member
7	Dr. S.P. Rao Borde, Dean (Student Progression & Industry Relations)	Teacher Member
8	Dr Ram Joshi, Dean Academics	Teacher Member
9	Dr. B. D. Jadhav, COE (Examinations)	Teacher Member
10	Dr. P.B. Kumbharkar, HOD (Computer) & Dean (Planning & Development)	Teacher Member
11	Dr. J A Hole, Dean (Research)	Teacher Member
12	Dr. R A Dubal, Dean (Students Affairs)	Teacher Member
13	Dr. A. M. Badadhe, HOD (Automation & Robotics)	Teacher Member
14	Dr. Santosh Waghaj, HOD (E&TC)	Teacher Member
15	Dr S N Khan, HOD (Mechanical)	Teacher Member

18	Dr. S.M.Yadav, HOD (Engg. Science)	Teacher Member
19	Dr. S. L. Chavan, HOD (Electrical)	Teacher Member
20	Dr.J R Dhanuskar, HOD (Civil)	Teacher Member
21	Dr. A.A. Chaudhari, HOD (MBA)	Teacher Member
22	Prof. R. A. Dullo, HOD (MCA)	Teacher Member
23	Shri Rajendra Bhise, Principal Consultant ATOS GITSS Pvt.Ltd. Pune	Member (Local Society)
24	Mr. Kiran Attarde Gen. Manager, Konecranes Ltd.	Member (Industry)
25	Mr. Vijay Upadhyay	Member (Alumni)
26	Miss. Shrerryl Thopil	Member (Student)

Strategies
IQAC shall evolve mechanisms and procedures for:
  * Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks.
  * The relevance and quality of academic and research programmes.
  * Equitable access to and affordability of academic programmes for various sections of society
  * Optimization and integration of modern methods of teaching and learning.
  * The credibility of evaluation procedures.
  * Ensuring the adequacy, maintenance and functioning of the support structure and services.
  * Research sharing and networking with other institutions in India and abroad.

Functions
Some of the functions of the IQAC are:
  * Development and application of quality benchmarks/parameters for various academic and administrative activities of the institution.
  * Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
  * Arrangement for feedback response from students, parents and other stakeholders on quality-related institutional processes.
  * Dissemination of information on various quality parameters of higher education.
  * Organization of inter and intra institutional workshops, seminars on quality

related themes and promotion of quality circles.
   * Documentation of the various programmes/activities leading to quality improvement.
   * Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices.
   * Development and maintenance of institutional database through MIS for the purpose of maintaining/enhancing the institutional quality.
   * Development of Quality Culture in the institution.
   * Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

Benefits
IQAC will facilitate/contribute:
   * Ensure heightened level of clarity and focus in institutional functioning towards quality enhancement.
   * Ensure internalization of the quality culture.
   * Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices.
   * Provide a sound basis for decision-making to improve institutional functioning.
   * Act as a dynamic system for quality changes in HEIs.
   * Build an organized methodology of documentation and internal communication.

Guidance And Counseling
![](https://www.jspmrscoe.edu.in/Images/GuidanceandCounseling/Drawing \(2\).jpg)
Guidance And Counseling
The institute has a multi monitoring system consist of Academic coordinator, Departmental academic coordinator and GFM. 1. Guardian faculty member (GFM) provides regular counseling to the students to address issues relating to their academic deficit and impediments and their personal and social issues. 2. Provision of separate mentoring hours in time table. 3. Career counseling services are provided by T&P cell, Alumni and Industry experts.uals.
To pursue higher studies, i.e. MS, ME, MBA etc.
   * Faculty members encourage and motivate the students to appear for various competitive exams like GATE, ATE, CAT, GRE, IES, TOEFL etc. by providing study materials.
   * Offering recommendations and transcripts for students seeking admission abroad for higher studies.
   * Library Facility

To Train The Aspirants:

* Guidance regarding job profiles offered by different types of industries in and off campus.
  * Creation of awareness about skill sets expected by potential industries visiting the campus.
  * Organize sessions by industry experts to guide the students.
  * Organize industrial visits to provide students an insight regarding work culture of companies.
  * Organize Group Discussion, Personal Interview, Mock interview and communication skill improvement workshops.
  * Expert lectures are organized to create awareness about government and public sector services.
  * Employability Skill development (ESD training) 300 hours training conducted by Zensar

Entrepreneurship
Institute has EDC cell which organizes sessions to motivate students to become an entrepreneur. EDC cell organizes following activities: 1. Conducting different activities to improve entrepreneurial skills. 2. Guidance is provided to start and set up students own "Start-up and Venture".

Department of Electronics & Telecommunication Engineering
About Department
Electronics and telecommunication engineering is a constantly changing and widening branch of the engineering. Increased production and the demand by the government, business community, and corporate world contribute in the growth of employment opportunities in the field. Department of Electronics and Telecommunication engineering of Rajarshi Shahu College of Engineering, Pune is one of the premier department aimed to provide quality education to the young engineers in the field. The department has excellent infrastructure and the resources in the form of modern equipments, well qualified faculty members, state-of- the-art library with access to digital subscriptions such as IEEE, Science Direct and Springer link which plays an important role in shaping the carrier of the under graduate, post-graduate and the research Scholars in and around the country.

Department Highlights
  * Department of Electronics and Telecommunication of Rajarshi Shahu College of Engineering, Pune is one of the premier departments aimed to provide quality education to the young engineers in the field of Electronics and Telecommunication.
  * Our sanctioned intake for UG is 120 students, PG 24 and Research centre Ph.D in electronics approved by Savitribai Phule Pune University, Pune
  * The experienced and learned team of 30 faculty members having average

experience of 15 years+, 4 technical supporting staff and 4 non-teaching staff are guiding the students that lead the department in first five rankers of the SPPU Pune.

  * The department has 6 faculty members as a PhD guide under whom 26 PhD Scholars have completed PhD yet and 23 research scholars pursuing PhD.
  * The department has active ISTE,IEI,IETE and IEEE students' chapters which help the students and the faculty members to organize guest lectures, seminars, workshops and conferences.
  * The department runs a student's association known as Electronics and telecommunication Engineering Students Association (ENTESA) which organizes various extra-curricular and co-curricular activities such as INNOVISION, RACHANA etc.
  * The students are motivated to participate in various activities such as technical festivals, conferences and the project competitions held in prestigious institutions such as IITs, NITs etc. Our students have bagged various prizes in ISTE, IETE, IEEE and IE events.
  * The department has 02 patents granted, 09 patents published, 35 research papers in various conferences and 106 research papers published in various journals.
  * The department plays a pivotal role in laying down road maps in the different research areas such as, Signal and Image processing, Design of Electronic Devices and Systems, Hardware and Software Co-Design System, Communication theory and telecommunication network.
  * The department has excellent infrastructure and the resources in the form of modern equipments, well qualified faculty members, state-of-the-art library with access to digital subscriptions such as IEEE, ScienceDirect and Springer link which plays an important role in shaping the career of the undergraduate, post-graduate and the research Scholars in and around the country.
  * The laboratories are well furnished, well equipped and have been designed as per the norms specified by the government statutory bodies such as AICTE, DTE and the curriculum requirement laid down by the SPPU Pune.
  * The VLSI laboratory is well-equipped with FPGA device kits sponsored by Actel USA, PSOC kits sponsored by Cypress semiconductor Bangalore. The communication Lab is sponsored by Conductix Wampler and E-Yantra IIT Bombay.
  * The laboratories are equipped with the state-of-art equipments like Spectrum analyzer, DSO, MSO, Logic Analyzer, Arbitrary Function Generator, and modern software which includes EDA tools, MATLAB, Active HDL, MULTISIM, Lab view etc.
  * The department has also recently signed MoUs with Gills Instruments,Bangalore,Actel USA,Dzine Masters,DINS Infotech and many more that helps to develop various activities in the department.
  * The department has received research funding by BCUD Savitribai Phule Pune University 4,80,000/- and Bhairavnath Sugar Works Limited Lavangi Unit-III Tal-Mangalveda Dist-Solapur 13,50,000/-
  * A technological Hub for production of Eco friendly and economical products to improve the socio-economics status of SC in Osmanabad block , Grant-in-aid sanctioned: Rs.4735200/-. Funding Agency: DST New Delhi, Year: 2022-25. [Three Years]
  * IEEE Conference Computing on Challenges and Opportunities in Smart City Implementation in IOT, Grant Communication and Green Engineering 23-25 Sep 2021, Grant-in-aid sanctioned: Rs.200000/- Funding Agency : AICTE New Delhi. Year 2021-22.
  * One week Short Term Training Program -in aid sanctioned: Rs.300000/-, Funding Agency: AICTE New Delhi. Year 2020-21.
  * Two week FDP "Artificial intelligence and its applications in Biomedical Engineering", Grant-in-aid sanctioned: Rs.521667/- Funding Agency: AICTE New Delhi. Year:2020-21.

Deans, JSPMs Rajarshi Shahu College Of Engineering
DEAN (PLANNING & DEVELOPMENT)
The Dean (Planning and Development) at RSCOE is the designated leader
responsible for formulating short-term and long-term plans, policies, procedures
to operationalize various programmes, activities of the institutes and
periodically reviews and monitors the performance of all the schemes and
activities of the institute.
The Dean shall exercise the authority commensurate with the following
responsibilities specifically vested in them by the authorities of the
institute. It is understood that the Dean may delegate many duties described in
this description to academic and administrative sections of the institute, but
is ultimately responsible for the quality of their implementation. The
recommendations of the Dean (Planning & Development) shall be placed before the
JSPM Management for consideration and approval.
Authority And Responsibilities Of The Dean (Planning And Development)
  * Planning the expansion and diversification of institutional activities and
preparation of all developmental proposals, to the extent up to submission of
plan and estimates related to such planning activities.
  * Maintenance of all necessary statistical data regarding plan & projects
required for compilation of various reports periodically required to be sent to
Government authorities and other agencies.
  * Formulating proposal for new courses and in organizing meetings of faculty
members and external experts for this purpose in this regard.
  * Taking the strategic initiatives to achieve short term and long term goals
of the institute.
  * To arrange, coordinate with Director to conduct meeting of Governing Body,
Academic Council, BoS, IQAC and other authorities of the institutes. He will
also maintain the minutes along with action taking report on the minutes of such
meeting.
  * To prepare the proposal and co-ordinate with academic departments for
preparing and executing the proposals for accreditation process by various
agencies along with maintaining statistical data of such processes.
  * Prepare suitable action plan for publicity and media interaction for
reaching to the society.
  * Any other responsibilities as may be assigned by the director from time to
time.

Dr. P. B. Kumbharkar
ME, PhD (Computer Engineering)
Professor in Computer Engineering
Dean, Planning And Development
DEAN (ACADEMICS)
The Dean of academics at RSCOE is the designated leader and academician responsible for the effective and efficient operation of the institute within the policies, directions and plans. The Dean is expected to establish and maintain a collegial work climate, cooperatively leading the academic unit towards improved productivity and relevancy, ensuring the academic integrity and curricular coherence of all programs embraced within it. The Dean shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute. It is understood that the Dean may delegate many duties described in this description to Department HODs, Program coordinators or assistant/associate deans, Department Academic Coordinator (DAC) and any other faculty but is ultimately responsible for the quality of their implementation.
Authority And Responsibilities Of The Dean (ACADEMICS)
  * To provide overall leadership, direction, advocacy, communication, coordination, and assessment of the academics as a whole, and of the sub-units (departments and/or programs) within it.
  * To finalize of academic calendar, time-table, registration of students for course work and examinations, academic infrastructure requirements.
  * To formulate processes and maintain updated academic records of all categories of students.
  * To publish syllabi time to time after revision.
  * To plan and organizing meeting of all the Institute level academic bodies in consultation with Dean (Planning and Development).
  * To frame rules for Academic certificates, medals and prizes to the students.
  * To plan and co-ordinate for the conduct of Convocation.
  * To co-ordinate Faculty Induction Program and Quality Improvement Programmes.
  * To carry out Academic Audit, prepare action plan based on the audit and suggest suitable action in relation to continuous improvement.
  * To plan suitable mechanism for feedback collection from stakeholders, analysis and corrective action.
  * To suggest the any other suitable steps from time to time to strive for the high academic standards.
  * Any other responsibilities as may be assigned by the director from time to time.

Dr. Ram B. Joshi
BE(CSE),ME(CSE),PhD(CSE)
Professor (Information Technology)
Dean, Academics
DEAN (RESEARCH AND DEVELOPMENT)
In a world increasingly propelled by technology, research is the foundation of any nation's economic growth and at RSCOE we are committed to the basic long-term research in frontier areas. The Dean (Research and Development) at RSCOE is the designated leader responsible for research activities in the institute and periodically reviews and monitors the performance of all the student's and faculty's research projects/activities carried in thrust areas of science and engineering at the institute. The institute has research centre of Savitribai Phule Pune University and collaborations with many national and international universities, IITs, NITs and industries in order to keep pace with expanding frontiers of knowledge and global developments. Activities of research centre, MoUs, research funding proposals and industrial interactions of the institute shall be managed by the Dean (Research and Development). The Dean shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute.
Authority And Responsibilities Of The Dean (Research And Development)

* Provides strategic leadership in developing and refining the institute's research mission and activities towards meeting current and future needs.
  * Assists faculty to form successful collaborative research groups that integrate and support individual, community-based and team-based programs of research.
  * Builds strong intra and inter professional relationship that enhance new and existing research linkages, including between research and teaching faculty, research faculty and community engaged research enterprises and local national and international researchers.
  * Frames rules for industry sponsored research and consultancy.
  * Monitors the activities of Research Centre, creates and maintains database regarding research, publication, patents funding and consultancy.
  * Provide guidance for submitting proposals to funding agencies such as Department of Science and Technology (DST), Bhabha Atomic Research Centre (BARC), Board of Research in Nuclear Sciences (BRNS), Indian Space Research Organisation (ISRO), Defence Research and Development Organisation (DRDO), Aeronautics Research and Development Board (AR&DB), Ministry of Information Technology, etc.
  * Chair the committee meetings of the evaluation of papers submitted or to be submitted to the conferences/seminar by the faculty members.
  * Co-ordinate Innovation Cell and Entrepreneurship Development (ED)/Startup activities.
  * Carryout complete process required for Patent filing of faculty and students.
  * Any other responsibilities as may be assigned by the director from time to time.

Dr. Shaileja C. Patil
ME, PhD (Electronics & Telecommunications)
Professor in Electronics & Telecommunications
Dean, Research & Development
DEAN (ADMINISTRATION)
The Dean of administration at RSCOE is the designated leader responsible for the effective and efficient administrative functioning of the institute within the policies, directions and plans. The Dean is expected to establish and maintain a collegial work climate, cooperatively leading the administrative unit towards improved productivity and relevancy, ensuring the integrity and curricular coherence of all sections embraced within it. The Dean shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute. It is understood that the Dean may delegate many duties described in this description to administrative office, student section employees but is ultimately responsible for the quality of their implementation.   * To co-ordinate the "Aviskhar" (university level research activities), Club activities, activities of professional chapters, annual technical event (Innovision),NSS, Sports, Cultural and Co-curricular and Extra-curricular activities of the students.
  * To co-ordinate the activities of Quality improvement programme, Workshop, conferences for the students organized by College/department.
  * To co-ordinate the "Earn & Learns Scheme" with college Students Welfare Officer.
  * To ensure Correspondence with parents/Guardians of students about their progress and individual problems/Welfare.
  * To co-ordinate the activities conducted by external agency at University/ State/ National and International level with department Co-coordinator.
  * Any other responsibilities as may be assigned by the director from time to time.

Following institute level committees will be co-ordinated by Dean (STUDENT RELATIONS)
  * Students Grievances & Redressal Committee
  * Student Council Committee
  * Sports Co-ordination Committee
  * Activity Clubs Co-ordination Committee
  * Staff and student welfare committee
  * NSS Activities Committee
  * Annual Technical Event Co-ordination (Innovision), Annual Cultural and Sports (Gandharv) Co-ordination Committee.
  * Annual Magazine Committee

Dr. R. A. Dubal
PhD
Professor
Dean, Student Affairs
DEAN (STUDENTS PROGRESSION AND INDUSTRY RELATIONS)
The Dean (Students Progression and Industry Relations) at RSCOE is the designated leader responsible for Organizing and managing all matters related to placement, training, higher studies and industry relations. The Dean (Students Progression and Industry Relations) primarily provides career guidance and also liaisons between Industry and the Institute to bridge the gap between Industries & Institute, to foster effective interaction to impart meaningful education and to promote industrial consultancy & entrepreneurship.

RSCOE has emerged as a favored destination for many national and international organizations to recruit fresh talent nurtured at the institute. The Training & Placement Cell is dedicated to motivate and help the student community towards their campus placements and industrial training. The training is inculcated in all students, right from the beginning of their program till they are ready for the hiring process. The cell strengthens students with skills that are core to success in the corporate world such as communication, professionalism, attitude, flexibility, tolerance for ambiguity, relationship etc... At RSCOE, we are passionate about grooming leaders who are not only thorough professionals but also good human beings with Culture, Values and Ethics.

The Dean shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute. It is understood that the Dean may delegate many duties described in this description to academic and administrative sections of the institute or committees, but is ultimately responsible for the quality of their implementation.

Authority And Responsibilities Of The Dean (STUDENTS PROGRESSION AND INDUSTRY RELATIONS)
  * To give industrial exposure to faculty members and students, thus enabling them to tune their knowledge to cope with the industrial culture.
  * To assist the Departments in organizing workshops, conferences and symposia with joint participation of the industries.
  * Encouraging Engineers from industries to visit institution to deliver lectures and organize in-plant training for the students.
  * Participation of experts from industries, in curriculum development.
  * To encourage faculty members to use their expertise in solving the problems faced by the industries, thus creating opportunity for consultancy.
  * To assist the departments in establishing rapport with industries for taking up projects and 'Centre for Excellence'.
  * MoUs between the institute and industries to bring the two sides emotionally and strategically closer.
  * Create awareness about 'career planning' and 'career mapping' among the students and equip the student with life skills and 'Personality Development'
  * Sensitize the department and students about the importance of foreign languages and various internship opportunities.
  * Organize various training programmes to train the students in the areas of Quantitative Aptitude, Logical and verbal reasoning through the reputed external training organizations and in house trainers.
  * To strengthen Alumni relations, including maintenance of all relevant details of pass out students and alumni association.
  * To arrange entrepreneurship camps, motivate the students for self employment and to arrange programmes for guidance and counseling of the students regarding various sources of finance, men and material for self-employment in association with entrepreneurship development cell of RSCOE.
  * Provides guidance to students appearing for the competitive examinations and encourage students for Higher studies in National and International universities in association with International Relation Cell of RSCOE.
  * Any other responsibilities as may be assigned by the director from time to time.

Following institute level committees will be co-ordinated by Dean (Student

Progression and Industry Relations)
   * Mentoring /Counseling Committee ii) Entrepreneurship Development (ED) Cell
   * Alumni Association Co-ordination

Prof. Santosh P. Borde
MTech (IT), PhD (Computer Engineering)
Professor in Computer Engineering
Dean, Industry Relations & Student Progression
DEAN (International Relations)
As globalization has become the focal point of higher education, competition has become a central preoccupation. Combined with the impact of globalization and the development of the global "knowledge economy", these competitive forces have resulted in the global competition phenomenon that is currently reshaping higher education. In view of this,RSCOE has set up Center for higher academics and international relations (CHAIR) to boost global exposure for students.
As a Dean International Relations, he/she is involved in developing and implementing RSCOE's international strategic plan, identifying and managing strategic partnerships. His/Her responsibilities include: developing outreach goals and managing institutional and educational outreach. He/She also looks after alumni activities and their engagement with the institute in association with Dean student progression and industry relations.
The Dean shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute. It is understood that the Dean may delegate many duties described in this description to academic sections of the institute or committees, but is ultimately responsible for the quality of their implementation.
Authority And Responsibilities Of The Dean (International Relations)
   * Leading the development of Institute's strategic international agenda through development of new initiatives and strategic partnerships.
   * To oversee and coordinate all international activities.
   * To promote relationships between foreign universities/institutions with RSCOE, and define the scope of such relationships through appropriate Memoranda of Understanding (MoUs). This involves, interfacing with the appropriate authorities at the collaborating institutions on all matters defined in the scope of the MoUs, establishing and fostering linkages between researchers and experts in various areas, creating awareness about all such MoUs amongst the departments and students of RSCOE to ensure their full participation in envisaged programmes, etc.
   * To promote exchange programmes for students through Student Exchange Agreements with partner institutions/universities . Students are encouraged to participate in course work and/or research work in partner institutions thus giving them international exposure and the opportunity to imbibe and learn from global work cultures.
   * To interface with other internal entities to facilitate the visits of delegations and students coming to RSCOE and provide guidance and services to international faculty/students and also to RSCOE students and faculty travelling abroad.
   * To co-ordinate with Dean (Academic) and Dean (Students Affairs) in deciding policy matters affecting both outbound and inbound students participating in Exchange programmes.
   * To interface with the Ministry of Human Resources Development, External Affairs, Home Affairs of Government of India and State Government Offices on all matters pertaining to internationalization efforts of RSCOE.
   * To interface with embassies and consulates of various countries to increase educational and cultural linkages between organizations in the foreign countries and the Institute.
   * To arrange and administer foreign language courses for students and staff of RSCOE.
   * To facilitate and promote the internationalization of RSCOE by setting up academic ventures in collaboration with global institutions and facilitate newer models of collaborations.
   * To partner with other Universities in India to enhance collaborative

research.
   * Any other responsibilities as may be assigned by the director from time to time.

Dr. Binod Kumar
MCA(NIT), M.Phil(Computer Sc.), PhD(Computer Sc.)
Dean, International Relations
DEAN (CONTROLLER OF EXAMINATIONS)
Controller of Examination (COE) means the Authority of the College who is responsible for all activities related with examination process. In the absence of the COE/ ACOE(s), his duties shall be performed by any officer or teacher of the college as assigned by the director.The COE shall exercise the authority commensurate with the following responsibilities specifically vested in them by the authorities of the institute.
Authority And Responsibilities Of The Controller Of Examinations (COE)
Subject to prior approval of the Director, the Controller of Examinations shall perform the following duties and responsibilities namely:-
   * To prepare examination schedule and implement the same in consultation with Dean (Academics).
   * To appoint examiners and moderators as prescribed in the rules & regulations.
   * To arrange for printing of question papers and answer books and their safe custody.
   * To arrange evaluation work and to process the results .
   * To arrange for timely declaration and publication of result and to refer, if, deem necessary any matter before the examination committee prior to declaration of results .
   * To postpone or cancel examination in part or in whole, in the event where such need arises.
   * To ensure confidentiality and to make assessment/ improvement in the process of the college examination/ evaluation.
   * To finalize the mode of examination for different courses in consultation with concerned authorities.
   * To appoint external agency(s)/ observer(s) for conducting and monitoring the examinations.
   * To appoint external agency(s)/ evaluator(s) for evaluation of examination.
   * To submit report regarding examination(s) to the director.
   * To frame financial norms for examination related matters.

Dr.Bhagavat D. Jadhav
BE(Electronics)
M. Tech. (Electronics),Phd(E&Tc)
Controller of Examinations
DEAN (Internal Quality Assurance Cell-IQAC)
The Dean IQAC at RSCOE is the designated leader responsible for Academic, Research, Administrative Monitoring and Quality assurance of the organization for holistic development of the students, faculty and staff at various levels under the guidance of Director and management. He will coordinate for various accreditation activities of the organization as per requirements.
Dean-IQAC shall evolve mechanisms and procedures for: Ensuring timely, efficient and progressive performance of academic, administrative and financial tasks. The relevance and quality of academic and research programmes. Optimization and integration of modern methods of teaching and learning. The credibility of evaluation procedures. Ensuring the adequacy, maintenance and functioning of the support structure and services. Arrangement for Audits, feedback from students, parents and other stakeholders on quality- related institutional processes. ·Coordinate to document the various accreditation activities leading to quality improvement in form of NBA, NAAC, NIRF etc. ·Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices. ·Development and maintenance of institutional

database through MIS for the purpose of maintaining/enhancing the institutional quality. ·Motivate and develop Quality Culture in the institution at all levels. ·Preparation of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC, to be submitted to NAAC.

GFM-Scheme
GFM is a guardian faculty member of a particular class who plays important role in mentoring of students, monitoring their attendance, preparation of monthly attendance.GFM also acts as mediator between institute and parents. In each department there is a program coordinator under whom, according to specialization, modules are formed. Each module is coordinated by module coordinator. For a particular course one faculty is appointed as course coordinator. Course coordinator along with other subject teacher prepares teaching plan, practical plan, unit wise question bank, MCQs, assignments of respective subjects. One of the advantages of implementing the multi monitoring system in an institute is that it leads to an efficient exchange of information. Departments work in coordination to solve the issues. Efficient lines of communication enhance productivity and allow for quick decision-making. Heads are involved in the day-to-day operations, which allow them to make decisions through the viewpoint of subordinates. This system helps in overall development, achievement of students which is beneficial for growth of the institute.
Objective

* To acclimatize the new students to the campus life in RSCOE
  * To provide academic counseling
  * To enlighten the students on professional ethics and conduct
  * To ease the trauma of transfer to a new place
  * To communicate with the ward's parents
  * Providing emotional support to students on individual basis
  * Helping students overcome home sickness
  * Establishing rapport between teachers, student & parents.
  * Monitoring attendance and behavioral aspects of every student.
  * Identifying weak areas and working out remedies helping students thereby taking their complete care.

Highlights
  * One teacher is nominated as 'Teacher Guardian' for fifteen students
  * Teacher Guardian maintains all records of students in formats provided
  * Teacher Guardian does all the follow up regarding attendance of students under his supervision
  * Teacher guardian monitors academic performance of students
  * If student remains absent for continuous three lectures, then teacher guardian sends note to all concerned teachers to stop the practical of that student
  * Teacher guardian sends letters regarding performance and attendance to parents every month
  * Poor performance of students is improved by way of counseling.
  * If required teacher guardian calls the parents on phone on the basis of weekly monitoring
  * Teacher guardian does counseling about studies

Purpose and Benefits
  * To ensure availability of support and guidance to students for students development and resolving their problems.
  * To ensure holistic development of student.
  * Create point of contact for students and their parents for any information and queries.
  * Improves communication between students and mentor for academic excellence, stress management and time management.
  * Academic Performance Monitoring.
  * Career and self-awareness among students.
  * Understanding students' academic and social problems well in advance.

Prof. Ravindra D. Takke. Director, sports & Physical Education. GYMKHANA.
From Director, sports & Physical Education.,
It gives me immense pleasure to present information about Sports & Gymkhana Facility available in the Rajarshi Shahu College of Engineering. Since inception institute provides good attention towards sports facility. Our Founder-Secretary strongly thinks that for every person physical and mental fitness is important for the success in life. Gymkhana is well equipped with good indoor and outdoor sports facilities. Institute regularly encourages to organize college level and intercollege level games to exhibit students sports activities. RSCOE have good sport ground but also college hire various stadiums and sports grounds as and when require to conduct these events. Since inception institute produce number of National Level, State Level and University Level players in these games. Annual of Budget of Gymkhana department is more than 2.5 lacs. So first of all I thank this college for giving me an opportunity to be the Physical Director. I

assure you that it is my responsibility to identify and channelize the talent of students in the field of sports. Also I will make sure that the students will get maximum exposure at the highest levels with the best of facilities. It is very essential for us to know that it is very important for a technical college like ours to have a maximum participation in sports because overall development of students plays a great role in molding their future I am also sincerely grateful to our principal Dr R.K. Jain for his valuable cooperation, inspiration & timely support to us in our work. .I also thank all HODs, management, teaching and non - teaching staff for their encouragement and support to us. Finally as the Physical director I congratulate all players who brought laurel to our college by good performances in inter collegiate sports events and zonal sports events. Finally I cannot forget to thank all my well wishers for their inspiration, encouragement amoral support.

Other Statutory Committee
Board Of Studies
ComDesignation of Board of Studies:
  1. Head of the Department concerned (Chairman).
  2. The entire faculty of each specialization.
  3. Two subject experts from outside the Parent University to be nominated by the Academic Council.
  4. One expert to be nominated by the Vice-Chancellor from a panel of six recommended by the college principal.
  5. One representative from industry/corporate sector/allied area relating to placement.
  6. One postgraduate meritorious alumnus to be nominated by the principal. The Chairman, Board of Studies, may with the approval of the principal of the college, co-opt:
(a) Experts from outside the college whenever special courses of studies are to be formulated. (b) Other members of staff of the same faculty.

Term
The term of the nominated members shall be three years.
Meetings
The Board of Studies shall meet at least twice a year.
The Board of Studies of a Department in the college shall :
  1. Prepare syllabi for various courses keeping in view the objectives of the

college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council.
   2. Suggest methodologies for innovative teaching and evaluation techniques.
   3. Suggest panel of names to the Academic Council for appointment of examiners.
   4. Co-ordinate research, teaching, extension and other academic activities in the department/college.

About RSCOE
Rajarshi Shahu College of Engineering is one among the hallmark institutes of pune, established in 2001 with the aim of providing quality technical education and excellence in the ever expanding horizon of technical revolution of 21st century. The institute is becoming an icon in the field of engineering education in the state of Maharashtra. It is nurtured and managed by Jayawant Shikshan Prasarak Manadal Trust. The Institute is approved by the All India Council for Technical Education (AICTE), New Delhi and Govt. of Maharashtra affiliated to Savitribai Phule Pune University. The institute has 4 post graduate programs of engineering (ME-Computer, ME- VLSI and Embedded system, ME - Structures, ME – Design) and one each of MBA, MCA. RSCOE is a recognized "Ph.D. Research Center" for Mech, Civil and E&TC by SPPU. All under graduate programs have been accredited by National Board of Accreditation New Delhi, three times. RSCOE is also accredited by NAAC with "A" grade (CGPA 3.26). Recently UGC has accorded Autonomy to RSCOE which empower RSCOE to design contemporary curriculum, which is relevant to industry so as to maximize employability of graduates. The institute has received "Best Professional College award (Urban Category)" by SPPU, Pune. The institute is also listed in 2(f) and 12(b) category of UGC Act. Institute is winner of AICTE-CII award in Platinum Category for consecutive two years 2017-18, 2018-19. Govt of India, MHRD – NIRF has ranked RSCOE in band of top 201 to 250 colleges of India, in the year 2020. From academic year 2019-20 UGC has confirmed autonomous status to the college. RSCOE is ranked 103 at India Level by India Today, survey conducted by India Today – MDRA, 2020.

Department Of Civil Engineering

Department Highlights
  * Ascribed and accredited successively in 4 cycles by National Board of Accreditation(NBA).
  * Department has strong focus in the areas of Transportation Engineering, Geotechnical Engineering, Structural Engineering, Hydraulics, Water Resources Engineering and Environmental Engineering.
  * Accustomed for producing University rankers since inception.
  * Industry centric Curriculum.
  * Building information Modelling (BIM) computing facility sponsored by Bentley Systems , USA .
  * Collaboration with Builders Association of India (BAI) for Internships, placements and curriculum development.
  * Inception of interdisciplinary courses through Industry Assistance supported by SpitZen Energy systems, Germany, Unity Consultants,Pune.
  * Unique international Student chapter of ASCE along with six vibrant national Student chapters.
  * Tracked curriculum with special track in Industry Internships, Research, Higher Studies and Entrepreneurship in Final year.
  * Tracked Post graduation course in Structural Engineering with Industry and Entrepreneurship.
  * Student Internships in reputed industries and International Universities like KMITL, Thailand .University of Malaya.
  * Alumni serving Government organizations, Civil Services and reputed Industries across the globe.
  * Recipient of funds under MHRD for Unnat Bharat Abhiyaan ,AICTE for MODROBS and BCUD for research and development.
  * Addressing Socio technical issues through Environmental Club ,an unique student's initiative named "Shashwat" working with prominent NGOs.

Batch Of 2022-2023
About Department
The department was established in the year of 2003-04 with an initial intake of 60 students. From 2012-13 intake has been increased to 120. The department also offers Post Graduate Course in M.E. Civil (Structural Engineering).The department has also recognized as Ph.D Research Center in year the 2012-13.The Civil Engineering Department is accomplished with full of energetic, well-qualified and experienced faculty who is also involved in research, professional activities inside & outside the campus along with the young, dynamic and dedicated faculty members.

Internal Quality Assurance Cell (IQAC)
Vision
To build and ensure quality culture at the institute
Mission
Systematic efforts and measures towards Academic Excellence of the institute
Objectives
The primary aim of the IQAC is to develop a system for conscious, consistent and
catalytic action to improve the academic and administrative performance of the
institution
Quality Policy of Institute
We are committed to impart value based quality education to maximize student
satisfaction keeping in mind global trends and needs of the industry and society
in a rapidly changing environment.
Quality Policy of Institute

We are committed to impart value based quality education to maximize student satisfaction keeping in mind global trends and needs of the industry and society in a rapidly changing environment.

Functions

Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institution Dissemination of information on the various quality parameters of higher education Organization of workshops, seminars on quality related themes and promotion of quality circles Acting as a nodal agency of the institution for quality-related activities.

s

National Service Scheme Cell

Dear All,

National Service Scheme (NSS) unit in the Institute is approved by Savitribai phule university. National Service Scheme (NSS) has been playing a vital role in enriching the souls and minds of the students of the Institute. The overall objective of this scheme is Education and Service to the community and by the community. It is a programme for students to cater to the needs of the community, as and when required. It helps the students to communicate with the society to understand the social issues. The students joining this scheme develop many behavioral interactive skills. They visit the rural areas as NSS volunteers during the camps organized by the Institute. The NSS volunteers take initiative in developing a Technocratic Environment and also help the underprivileged people to develop themselves. The scheme promotes the ability of the students to understand the societal issues in a better way so that they get opportunity to apply the technical knowledge being acquired during their study. Thus the ultimate goal of the scheme is to strive to inculcate the bond of patriotism, national integration, brotherhood, communal harmony among the Students. This unit functions as per the guidelines of SPPU and organizes various events and activities which address the cross cutting issues relevant to Gender, Environment and Sustainability, Human values.

Entrepreneurship Development Cell

ED Cell of RSCOE

The Entrepreneurship Development Cell (EDC) at JSPM's RSCOE is started with the objective of promoting specialized knowledge in the field of entrepreneurship.In view of the worldwide shortage of jobs leading to unemployment problems and lack of proper utilization of human resources, the cell strives to convert the studentsintoentrepreneurs. This is an institutional mechanism for providing services to build budding entrepreneurs in the institution. Besides the cell plans to organize various programs regarding entrepreneurship development with the partnership of private and public organizations.We at RSCOE's ED Cell welcome you all to this vision of creating and supporting the aspirations of building the nation through the medium of entrepreneurship.Our Entrepreneurship

Development Cell is associated with NEN (National Entrepreneurship Network), SPPU CIIL (Centre for innovation ,incubation and linkages), MHRD IIC (Ministry of Human Resourse Development).MCED (Maharashtra Centre For Entrepreneurship Development).

Objectives

• Promoting entrepreneurship and innovations among the students and faculties . Providing specialized knowledge in specific areas.
• Supporting budding entrepreneurs with aspects of Mentoring, Funding opportunities , Registrations ,Patent filing and much more

Our Achivements

Our team from Computer Engineering got shortlisted for Finale of Ideation Competition by SPPU CIIL.Three Teams Achieved PCMC Hackathon –Festival Of Futures

Team ED Cell

1. Dr.Vijayshri Mehtha – MBA - (9763722216)
2. Dr. B.M.Bandgar - MCA - (7219202802)

Department Of Mechanical Engineering

About Department

The department of Mechanical Engineering incepted in the year of 2002 with an intake of 60 students at Under Graduate (B-Tech) level and intake increased to 120 students (2006) and 180 (2013). The department also offers Post Graduate Courses, M-Tech. in (Design Engineering). The department has also recognized as Phd Research Centre in year the 2012. The Department has balanced combination of experienced and qualified faculty members along with the young, dynamic and dedicated faculty members. The department has fully fledged 15 laboratories & Workshop with state of art technology equipment's and they are armed with the recent software highly demanded by the employers. The Department of Mechanical

Engineering always has emphasis to impart the recent trends to make the students capable to take the challenges to meet the needs of current industrial Scenario. The Department of Mechanical Engineering stand committed to technical, moral and intellectual growth of the students and provides the best possible job placement through the training and placement cell. The Department of Mechanical Engineering aims to transform the raw intelligent input into committed engineering graduates and to explore the hidden capabilities of the students towards the best leadership and technological management strength which makes them future successful entrepreneur.

Department Highlights
  * Accredited consecutively in 4 cycles by National Board of Accreditation (NBA), New Delhi.
  * University Top Rankers at Second, Third & Final Year (5 in first 10).
  * Collaboration with IIT Ropar for curriculum development from FY BTech to Final Year BTech Mechanical.
  * Centre of Excellence in Robotics and automation in with TATA Automation Ltd (TAL), Pune. (Presently TATA Brabo).
  * Centre for Training in IoT, AIML in association with India First Robotics.
  * Centre for High Speed Machining with CNC and VMC .
  * Vibrant Nine Professional Chapters.
  * SUPRA Team ranked 3rd among 139 teams across the country & also won many prises.
  * Major Degree B-Tech Mechanical with Honours in e- Mobility & Robotics & Automation.
  * Special track of Industry Internship, Research, Higher studies and Entrepreneurship in final year.
  * Students participation in International Events at Belgium, Thailand, Malaysia.
  * Students Internship in International Universities viz. University of Malaysia-Pahang, Malaysia, KMITL, Thailand.
  * Alumni Working across globe with International brands viz. Jaguar & Tesla and also Civil Services, Defense, Foreign Universities.
  * MoUs with renowned industries for Internship, Sponsored projects and consultancy services.

Dr. B. D. Jadhav
Controller of Examinations (COE)
We, at Examination Section, of JSPM's Rajarshi Shahu College of Engineering, Pune (Affiliated to Savitribai Phule Pune University), visualize the need for radical reforms in traditional examination and assessment system and are working towards evolving a credible, valid, effective and transparent evaluation system. We have set ourselves for adopting technology to facilitate easy interface for exchange of information.
  * Devise and monitor strategies and implementation of useful examination practices at colleges.
  * Online mode of examination form filling that will help generate student summary & Hall Tickets to optimize time and eliminate errors.

* Create question banks for various subjects and courses to facilitate random selection of question papers.
* Inform and train teaching and non-teaching faculty members about the conduct and organization of examination and examination material.
* Strengthen Student Facilitation Centre for prompt response and delivery of student queries.
* Coordinate with SPPU and other higher and regulatory agencies to ensure credibility and stability to examination system.

Board of Examination Committee

Sr. No	Name of Member	Designation
1	Dr. Santosh Bhosle, Director, RSCOE Tathawade, Pune	Chairman
2	Shri. Mahesh Kakade , Director, Board of Examinations and Evaluation, SPPU, Pune	Member
3	Prof. A. S. Devasthali, Deputy Director, RSCO	E Member
4	Dr. Rachyya R. Arekerimath,Dean IQAC	Member
5	Dr. N. S. Mujumdar, Professor	Member
6	Dr. R. B. Joshi, Dean Academics	Member
7	Dr. S. M. Yadav, Head, F. Y. B. Tech.	Member
8	Dr. .P. B. Kumbharkar, Dean Planning & Development	Member
9	Dr. S. G. Kandalkar, Dean Administration	Member
10	Dr. R. A. Dubal, Dean Students Affair	Member
11	Dr. P.A.Tomar, Associate Dean Academics	Member
12	Prof. K. P. Mohalkar, Associate Dean Academics	Member
13	Dr. P. M. Ghate , Dy. Controller of Examinations	Member
14	Dr. B.D. Jadhav, Controller of Examinations	Member Secretary

Examination Staff

Sr. No	Name of Member	Designation
1	Dr. B.D. Jadhav,	Controller of Examinations

Department of Electrical Engineering

About Department

Department of Electrical Engineering of RCSOE is established in May 2016 and
started its academic program in July 2017. Department is actively engaged in
teaching and research with excellent faculty members. The department has good
infrastructural facilities and is equipped with full-fledged laboratories such
as Basic Electrical lab, Electrical Machines Lab- I and II, Power Electronics &
Drives lab, Computer lab, Analog & Digital Electronics lab, Electrical
Measurements lab, Power System lab, Switch gear and Protection lab, Control
System lab, Renewable Energy System lab, High Voltage lab and Project lab. The
department also has audio visual facilities like smart TV,LCD and OHP for
effective teaching.
The Department faculty is a mix of industrial and academic expertise with highly
qualified and experienced Professor and Associate Professor and Assistant
professors holding PhD and Master degree in various domains like Control and
Instrumentation, Electrical Machines, Power Systems, Computer Applications and
Power Electronics. Department has well qualified lab instructors to guide
students in lab.
Main aim of the department is to impart knowledge with innovative ideas to the
students in the teaching-learning process. The Staff Advisors identify slow
learners and give them special training to enable them to cope with the other
peers in the respective class. The meritorious students are given special
training on current research areas. The department prepares students for a broad
range of careers in government organizations, industrial sectors, al as well as
academics by including Skill development program, ethics for engineering. The
program is covering the knowledge required to attempt various competitive exams
that makes student eligible to work in government/private services ex. GATE
tutorial program, KPIT PACE program etc. The department provides world class
education facilities and guide students to cater the industrial development and
economic growth of the country and become performing professionals in the
international arena.

AbtDepartment.jpg)

Department Highlights
  * **Curriculum:-** Design in association with KPIT,TSS and other industries.
  * **IIT Bombay Association:-** Design and developed Power system analysis
virtual lab in association with IIT Bombay.
  * **Collaborations :-**
    Collaborated with 6 foreign Universities - student,s completed online
internship with KMITEI Thailand during covid-19 pandameic.
    Colabrated with 8 Core Industries
  * **University Rankers :-**
    Academic Year 2018-19:- 3 students from Second year Secured rand 3rd , 6th &
9th Rank in Savitribai Phule University Exam (SPPU).
    Academic Year 2018-19:- One students from third Year secured 3rd rank in
Savitribai Phule University Exam(SPPU).
  * **Placements :-** **Academic Year 20-21 :-**
    49 Out of 62 students placed in campus.
    Students Becomes Entrepreneur
    Students doing Higher Studies.
    Highest Package 9 LPA
  * **Academic Year 21-22 :-**
    57 Students out of 72 are placed in campus and placements drive still in

process.
    till date 103 total offers
    Highest Package 9 LPA.
  * **Advance Technology**
    Running E-Mobility as Honors Course and Computer system as minor Course.
    Centre of Excellence in EV in association with TSS India Private Ltd is in process.
    Dedicated practical's lab Set up for artificial Wind and Solar Power Plant.
conferences.
    Regularly Conducting Hand on Workshops and Industry Visits.
  * **Department Laboratries:-** state of art, well equipped laboratories with excellent computational facilities.
  * **Faculties Strength:-** A team of highly qualified and experienced faculty members with an average experience 10+ years.
  * **Publications:-** 4 patents and 50+ papers in national/international journals & 48 in national/international conferences.
  * **Skill Based Programme:-** Project Based Learning for enhancing Problem Solving Approach.
  * **ICT Facilities:-** Use of ICT/ Moodle /ZOOM/ Google meet for effective Teaching Learning Process.
  * **Professional Body Membership :-** Membership of professional bodies like IEEE, ISTE, ISLE by students and faculty members.
  * **Audit Course & Elective Industry needs :-** Introduction of sample Audit courses from various domains and electives as per Industry needs.

Governing Body
Governing Body
Constitution of Governing Body of Private /Self Financing College/Constituent College run by Trust/Society
Governing Body

Number	Category	Nature
5 Members	Management	Trust or management as per the constitution or byelaws, with the Chairman or President/Director as the chairperson
2 Members	Teachers of the College	Nominated by the Principal based on seniority by rotation
1 Members	Educationist or industrialist	Nominated by the management
1 Members	UGC Nominee	Nominated by the UGC
1 Members	State Government nominee	Academician not below the rank of professor or State Government official of Directorate of Higher Education/State Council of Higher Education
1 Members	University Nominee	Nominated by the University
1 Members	Principal of College	Ex-Officio

Governing Body at Rajarshi Shahu College Of Engineering

Sr. No	Name	Designation in the Governing Body
1	Dr.T.J.Sawant	Chairman
2	Dr. R. S. Joshi	Member (Nominated by the management)
3	Shri P.C.Patil	Member (Nominated by the management)
4	Dr. P. N. Razdan Principal Adviser, Quality Assurance & Excellence Cell-(GEF) , Ramaiah Group of Institutions, Bangalore	Member (Nominated by the management)
5	Dr. R (Venki) Venkateswaran Senior Vice President, Persistent Systems Pune	Member (Nominated by the management)
6	Mr. Vinayak Trivedi Vice President and Global Head - Bentley Institute, at Bentley Systems	Member (Nominated by the management)
7	Prof. A.S. Devasthali Professor in Physics & Dy. Director RSCOE	Teachers of the College (Nominated by the Principal based on seniority by rotation)
8	Dr. N. S. Mujumdar Professor in Maths	Teachers of the College (Nominated by the Principal based on seniority by rotation)
9	Dr. Atul M. Gonsai Professor , Dept. of Comp Sci, Saurashtra University, Rajkot-Gujrat	UGC Nominee
10	Awaited	State Government nominee
11	Dr. Prasenjeet Fadnavis	University Nominee
12	Dr. Santosh Bhosle	Principal of College

Term
The Governing Body shall be reconstituted every three years except in the case of UGC nominee who shall have a term of five years.

Meetings
Meetings of the Governing Body shall be held at least twice a year.

Functions of the Governing Body
Subject to the existing provision in the bye-laws and rules laid down by the state government/parent university, the Governing Body shall:
  1. Guide the college while fulfilling the objectives for which the college has been granted autonomous status.
  2. Institute scholarships, fellowships, studentships, medals, prizes and certificates on the recommendations of the Academic Council.
  3. Approve new programmes of study leading to degrees and/or diplomas.
  4. All recruitments of Teaching Faculty/Principal shall be made by the Governing Body/state government as applicable in accordance with the policies laid down by the UGC and State Government from time to time.
  5. To approve annual budget of the college before submitting the same at the UGC.
  6. Perform such other functions and institute committees, as may be necessary and deemed fit for the proper development of the college.

Department of Engineering Sciences and Humanities
About Department
The Department of Engineering Sciences and Humanities was established in the year 2000-2001. The objective of the department is to provide quality education to First year engineering students. Sanctioned intake of students is 840 with 08 branches Mechanical, Electronics & Telecommunication, Civil, Computer, Information Technology, Electrical Engineering, CSBS (Computer Science - Business Systems) and AR (Automation – Robotics). Department is well known for its academic excellence and all round growth of its students. Department believes academic courses needs to be complimented with practical exposure and hence carries out multiple activities throughout the year for the same. Academic courses, trainings and results are closely monitored at each level by HOD (Head of Department), DAC (Departmental Academic Coordinator), and GFM (Guardian Faculty Member). This department consists of qualified, experienced, and dedicated faculty members. Student association of First Year Department is called as 'FESA' which provides platform for various co-curricular and extra-curricular activities.

Department Highlights
  * Student focused teaching-learning methodology.
  * Specially designed one week 'Induction training program' for new students to get acquainted with engineering curriculum, and the institution.
  * Industry focused academic courses and trainings to develop skills and

mentality.
   * Qualified and experienced faculty members to help students in reaching their potential.
   * Well-equipped laboratories and classrooms to support all round development of students.
   * Use of modern techniques such as Problem Based Learning pedagogy (PBL) to solve real-world problems.
   * Inclusion of Foreign languages (German, Japanese, French) to ensure student get exposure to various cultures.
   * FESA (First Year Student Association) for conducing co-curricular and extracurricular activities and industrial visit.

National Board of Accreditation (NBA)

Why NBA Accreditation
"NBA" stands for the National Board of Accreditation which is an accreditation
agency representing India in the Washington Accord (WA). The Washington Accord
is an agreement between bodies that accredit or recognize higher-level
engineering qualifications. NBA is one such autonomous accrediting body in
India, which deals with the accreditation of engineering and various technical
institutions based on the quality of education being offered. The guidelines
outlined by the NBA act as parameters to certify institutions.
The purpose of the accreditation by NBA is to promote and recognize excellence
in technical education in colleges and universities - at both the undergraduate
and post graduate levels. Accreditation certificate acts as an educational
quality assurance factor for students whereas, for an institution, it opens the
door to various opportunities like getting autonomous status, funds & grants
from the government to improve the operational processes of the institution.
The**Rajarshi Shahu College of Engineering** offers Eight UG programmes
(Bachelor of Technology, BTech) in Electronics & Telecommunication, Computer,
Mechanical, Civil, Information Technology, Electrical Engineering, Automation &
Robotics, and Computer Science & Business Systems. Six PG programs MTech
(Electronics & Telecommunication - VLSI & Embedded Systems), MTech (Computer
Engineering) , MTech (Mechanical-Design), MTech (Civil-Structural), MBA, MCA and
recognized Ph.D research center in Electronics & Telecommunication, Civil and
Mechanical Engineering affiliated to SPPU, Pune. All eligible UG programs have
been**accredited three times by National Board of Accreditation (NBA)** New
Delhi.

Outcome based education
Outcome based education is targeted at achieving desirable outcomes (in terms of
knowledge, skills, attitudes and behaviour) at the end of a program. Teaching
with this awareness and making the associated effort constitutes outcome based
education. This entails a regular methodology for ascertaining the attainment of
outcomes, and benchmarking these against the program outcomes consistent with
the objectives of the program.
In the year 2009, NBA aligned its methodology with international benchmarks and
started accreditation on the basis of outcomes. It believes that educational
quality must be measured by outcomes rather than inputs, because inputs do not
necessarily correlate with quality outcomes. Outcomes are dependent not only on
inputs but also on the processes followed by an institution to convert inputs
into defined outcomes.

Parents Meet
Purpose
The main purpose of Parent Meet is to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students. This meet is conducted periodically to evaluate the effectiveness of the academic activities of the students.
Benefits
  * Create better understanding between parents and teachers and harmonious relationship between the institute and the community
  * Help parents and students to adopt themselves to the changing concepts of society
  * Share academic progress and growth based on classroom observations, assessments, portfolios, and assignments
  * Understand from parents or guardians so we can be better informed about students' assets, requirements, performances, and learning styles

Under-Graduate Courses
Salient Features
  1. Accredited by National Assessment And Accreditation Council (NAAC) with Grade 'A'
  2. Accredited All UG Courses by National Board Of Accreditation (NBA) in consecutive two cycles.
  3. Awarded as "Best Professional College" under urban category from Savitribai Phule Pune University and Permanent affiliation to various UG as well as PG Courses from Savitribai Phule Pune University.

4. Accredited by Tata Consultancy Services (TCS) And Other Various Industries.
  5. Highest Day One Placement Record.
  6. Achieved Platinum Category in AICTE-CII Survey Of Industry Linked Technical Institutes 2017.
  7. Japanese & German Language training On Campus.
  8. PhD Research Centre of Savitribai Phule Pune University for Civil ,Mechanical And E&Tc Course.
  9. Professional Membership/Chapters with IEEE,CSI,ASME,ARAI,ASCE,ISHRAE,MCCIA.
  10. Collaborations with Industries like Organic BOTS USA,Zensar,TCS,Bentley Systems , Persistent Systems ,Dynalog India Pvt.Ltd,Microsoft,DELL EMC,Cypress Semiconductors,Unity Consultant , Educadd,Bizgaine Technologies Pvt. Ltd. And Many more.
  11. Well established Entrepreneurship Development Cell ,NEN (National Entrepreneurship Network) Membership No:JSPM2682
  12. Green Campus Certification
  13. Hostel and Transport facility Available.

Board of student development

General Information

Preface

RSCOE Central Library i.e. Jayawant Library is a well-established computerized Library with a large collection of textbooks, reference books, technical journals, educational DVDs and CDs for all courses offered through RSCOE. In addition to print copies of relevant journals, the library has also subscribed international online journal databases like IEEE, ASME, ASCE, ACM, EBSCO, Science Direct, ASTM, J-Gate(JET and (JSMS), which can be accessed and downloaded through internet facility available in Digital Library (DL)and all departments of the college. NPTEL video Lectures delivered by India's best teachers are also available in library.

Library has taken renowned outside Library membership like British Council Library, Pune, Automotive Research Association of India, Pune, and IIT Mumbai Central Library for providing resources which are not available in Jayawant Library. The Library has separate reading area, reference section, digital library room, audio visual room, periodicals section etc to facilitate fullest utilization of the available resources by the students and staff.

In order to avail maximum output in providing relevant information sources, the open access is provided to all the members of the library. The reading materials have been classified according to Dewey Decimal Classification (DDC). It works as a nerve center of the institution by keeping the knowledge of students and faculty members updated. The Information sources and services are constantly updated and the facilities are added periodically to keep pace with the recent developments in various areas of knowledge.

Vision

To strengthen knowledge culture in the institution by availing information sources online and in print by applying innovative tools of Library & Information Science (LIS) and relevant collections.

Mission

To avail quality and relevant information sources physically and virtually by applying best practices in LIS.

Timings

Working days: 8:00 a.m. to 8:00 p.m.
Before and During Examinations: 8:00 a.m. to 12:00 a.m.
Weekends and Holidays: 9:00 a.m. to 5:00 p.m.

LIBRARY RULES & REGULATION

1. Books are the property of College. 2. Keep silence in the Reading Hall. 3. Keep your bags in property counter. 4. Students and faculty members are members of library. 5. UG and Polytechnic students can issue three books for ten days. PG students in engineering can issue five books for fifteen days. 6. Books will be issued to Library card holders only. 7. Books may be reissued if there is no claim on it. 8. Online Renewal facility is available on the Web OPAC. 9. A fine of Re.1- per day and per book will be charged on expiry of return date. 10. A fine of Rs. 25- per group of student will be collected after non -receiving of

book sets after one week of semester examinations. 11. Student has to get the copy of lost book. 12. Only back issues of journals will be issued outside. 13. Do not damage the book in any form. 14. No reference books will be issued. 15. In case of loss of library card inform librarian immediately. 16. Books issued need to be returned before proceeding for vacation. 17. Students need to communicate if any change in contact details. 18. Library clearance is must to terminate the membership. 19. Outside students and faculty need to take permission of the principal for using library. 20. Management and principal reserves incidental right.

NEP Cell Information
Government of Maharashtra NEP-2020 Guidelines
UGC NEP-2020 Guidelines
Universal Human Values I
Universal Human Values II
2 Days Workshop on "Implementation of NEP 2020: Industry-Institute Linkage"

Development Plan:
Academics:
  * Strengthen association with industry for co-teaching, internships, and projects.
  * Develop and adapt curriculum based on the demands of local, regional, and international markets.
  * Ensure 100% Ph.D. faculty members to enhance faculty qualifications.
  * Provide accessible higher education and advanced studies for the target audience.
  * Improve academic reputation by wisely using institute resources and offering quality services.
  * Develop public learning resources in various media formats.

Research:
  * Process seed funding for faculty and student research every year.
  * Notify faculty and students about "Call for Proposals" from various funding agencies in a timely manner.
  * Facilitate expert sessions on publications, intellectual property rights (IPR), and funding opportunities.
  * Increase the number of IPRs registered by the institute.
  * Focus on improving the quality of projects and developing multidisciplinary B. Tech projects.
  * Organize conferences to connect academic projects with industry partners.

International Relationship:
  * Collaborate with reputed national and international universities for student and faculty exchange programs.
  * Establish an International Education Office to diversify and increase access to study abroad programs.
  * Design interdisciplinary study abroad programs with partner universities.
  * Facilitate student mobility for internships and research projects at global institutions.
  * Strengthen partnerships with universities through strategic collaborations.
  * Attract international students and improve their experience to ensure academic and campus life success.
  * Foster global learning through curriculum enhancements and faculty internationalization opportunities.
  * Encourage faculty engagement through research exchanges, grant identification, and international collaboration opportunities.

Students Development and Welfare:
  * Participate in government initiatives like Digital India.
  * Support schoolchildren with coding and hardware building as a social activity.
  * Provide scholarships from government or industry sources to students in need.
  * Build a state-of-the-art sports facility for students.
  * Achieve top rankings in state and national level sports competitions like Karandaka.
  * Gain recognition for student activities at national and international levels.

Training and Placement:
  * Gain recognition for student activities at national and international levels.
  * Enhance placements in companies offering salaries above ₹10 lakhs.
  * Increase the number of companies offering salaries higher than ₹10 lakh for campus recruitment.
  * Leverage alumni for placements, internships, and mock interviews.
  * Strengthen industry interaction to boost placement and internship opportunities.

Master of Business Administration
Department Highlights
  * Experienced, dedicated and committed faculty
  * Highly industry interactive education
  * Problem Based Learning methodology along with Case Study Approach
  * Focused on creating world class leaders / managers
  * Focused on Skills sets - Soft skills as well as Managerial skills
  * Enhancing practical knowledge by conducting industry visits
  * Pre-placement training is given in accordance with industry requirements
  * Workshops and seminars are occasionally organized on recent trends in management
  * State-of-art infrastructure is provided
  * Guest lectures are arranged with experienced industry people

About Department
The Department of Management was established in the year 2006 with an objective of producing Young Management Executives with global standards. The MBA programme is a 2-year (4 semesters) full time Master Degree programme in Business Administration. While the first year is dedicated to foundational course, the second year would enable the students to gain a depth knowledge in different areas and specialize in elective fields like Finance, HR & Marketing. The department maintains high standards in conducting lectures by academicians, Industrial tours, Personality development programmes, Case studies and Guest lecturers from Industry. An erudite team of faculty members moulds the enthusiastic students into multifaceted professionals. As communication plays a major role in the current scenario, the department has included Professional Communication in its syllabus. The Department conducts various interactive training programmes, skill development workshops for the students.
Department of Management is committed to impart technical and research based quality education to develop analytical skills among the students. It also focuses to enrich the academic activities through continual improvement in the teaching and learning processes. The department also focus on infusing confidence in the minds of students and to develop them as entrepreneurs. It develops expertise for consultative activities by providing opportunities for industry – institute interaction. It is also constantly upgrading the technical expertise for producing competent professionals to cater to the needs of society and to meet the global challenges. Much care is taken to involve the faculty in the development of professional skills and to take an active interest in counseling the students.
Precisely all our efforts are directed towards making students a perfect fit for the expectations of corporate world and society at large. We wish them best-of-luck for future endeavors.

JSPM'S RSCOE TATHAWADE PUNE RESEARCH CENTER
SAVITRIBAI PHULE PUNE UNIVERSITY (Formerly University of Pune)
Research Center permission: Ref. CA/2357 dated 09/10/2018
Research Center

Name: Dr. Santosh Bhosle **Designation:** Director and Research Head **Qualification:** PhD (Mechanical Engineering), M.Tech (Production Engineering), BE Production **Experience:** 35+ **Area of Interest:** Manufacturing, Quality and Reliability Engineering, Industrial Engineering **Email Id -**

Name: Dr. Jitendra A. Hole **Designation:** Professor(Mechanical) and Dean Research and Development **Qualification:** PhD Mechanical Engg. M.Tech. (Thermal), B.E. (Mech.) **Experience:** 24+ years **Area of Interest:** Thermal Engineering, Energy Engineering. **Email Id -** **Contact No:** +91- 9860659246
Eligibility criteria for admission to Ph.D. programme -
ME/M.Tech and PET/GATE
Collaborative and Multidisciplinary Research
  1. Research centers are encouraged to collaborate and share research across disciplines.
  2. Various platforms are used by the research center to showcase the work such as a) Website b) Email Updates c) Research Forum d) Conferences

Policy on Publications
  1. At least two publications in SCI Index Journal, and few in a Web of Science / SCOPUS indexed / UGC CARE list journal ; and TWO publication in any peer reviewed conference proceedings.
  2. Predatory Journal Publication is not acceptable. All publications must not be in paid and articles plagiarism must be checked before submitting to the journal or conference.
  3. One patent may be considered instead of the SCOPUS publication provided that the patent has been approved by the institute's IPR cell.
  4. Research scholars can represent their research work in any symposium /conference obtaining ascents from their supervisor and head of research institute. However, conference publications that are considered to fulfill statutory requirements must be in conferences that are organized by national or international organizations of repute and be peer reviewed.
  5. PhD students conducting research must use the affiliation of the Institute [JSPM'S RAJARSHI SHAHU COLLEGE OF ENGINERERING TATHAWADE, PUNE] in which they are pursuing their PhD. All guides must also be co-authors on all publications.

Ph.D. programme shall be of a minimum duration of three years, including course work and a maximum of six years.(As per the rules of SPPU Pune; Ref .circular No 14/2017 ; Annexure 3.2)
Procedure for admission to Ph.D. Programmes
(As per the rules of SPPU Pune ; Ref .circular No 14/2017 ; Annexure 4)
"The SPPU shall admit candidates by a two stage process through **An Entrance Test,** which shall be a qualifying test. The Entrance Test will be of 100 marks (100 questions of one mark each with multiple choices) with 50% marks as qualifying marks. The syllabus of the Entrance Test shall consist of questions, 50% based on research methodology and 50% shall be subject specific. **An interview** organized by the SPPU when the candidates are required to discuss their research interest/area through a presentation before a duly constituted Department Research Committee".
Allocation of Research Supervisor: "As Per the SPPU Rules and Regulation ; Ref .circular No 14/2017 ; Annexure 5".
Process of Admission/Registration after the interview: "As Per the SPPU Rules and Regulation; Ref .circular No 14/2017 ; Annexure 6"
Course Work: "As Per the SPPU Rules and Regulation" Ref .circular No 14/2017; Annexure 7
Research Advisory Committee and its functions: "As Per the SPPU Rules and Regulation ; Ref .circular No 14/2017 ; Annexure 8"
Evaluation and Assessment Methods, minimum standards/credits for award of the degree, etc.: As Per the SPPU Rules and Regulation; Ref .circular No 14/2017; Annexure 9
Viva Voce and Defence of the Thesis: As Per the SPPU Rules and Regulation; Ref .circular No 14/2017; Annexure 10

Placement Highlights

TCS Partnership Highlights:
  * Among the only 5 premier colleges in Pune visited by TCS
  * Sole college from PCMC area to host TCS recruitment on campus
  * 117 offers from TCS, including 47+ for 7 LPA Digital and 9 LPA Prime, making it the highest number in Pune!
  * Hosted TCS for the majority of engineering colleges (non-premier partners) with an astounding count of 642+ students

Top Recruiters and Record-Breaking Numbers:
  * Delivered one of the best and highest numbers for Accenture, KPIT, and Capgemini in the Pune region
  * Highest package close to 20 LPA and an incredible 40+ LPA*

Internship Excellence:
  * 1500+ internships* for 2 batches of Engineering
  * Highest stipend - 1 lac 10 thousand!
  * 7 students went to Taiwan for the internship program under the guidance of Foreign University Relations Cell and SP &IR office

AlumniTestimonials/Suraj-Menon.png)
Name : Suraj Menon
Batch : 2014- 2018 Computer Engineering
Designation : Specialist in Automotive Security and Privacy
Organization : Continental Automotive Singapore
2017 was the first time when we got the NAAC accreditation.
The college and the Department of Computer Engineering has helped me in my
overall development and not only from an academic perspective.
The placement cell tries to bring in the students into the T&P Cell right from
the 2nd year and the seniors play an important role in the setup. I have seen
examples of many seniors coming back to college even after they graduate in
order to train the students.
Students should try to approach the placement cell right from the beginning and
should discuss about the shortcomings they feel in them and try to work together
to improve that.
RSCOE and the placement cell is always available for students who look out for
opportunities !! I was one such student once.

AlumniTestimonials/Ravdeep-Singh-Saggu.png)
Name : Ravdeep Singh Saggu
Batch : 2015-18 Computer Engineering
Designation : Cyber Security Analyst
Organization : Arctic Wolf
During my 4 years journey at RSCOE, I have experienced the best of everything
the student should experience in his college time in terms of quality of
education, placements and extracurricular activities.
I graduated in 2018 and served as Secretary of the Student Association for
Computer Science Department.
I was a member of Training and Placement for 2 years which helped me to polish
my skills and gave me the confidence to show my leadership/teamwork skills. The
department even helped me to get placed in during campus recruitment.
I moved to Canada for Masters in Cyber Security and currently I am working with
Arctic Wolf as a Cyber Security Analyst.
![Alternate

AlumniTestimonials/Mayur-Suryawanshi.png)
Name : Mayur Suryawanshi
Batch : 2010-2013 Mechanical Engineering
Designation : IAS, Additional Commissioner
Organization : Bhubaneswar Municipal Corporation
I take Immense pride that I am alumni of JSPMs RSCOE. College has played a very
crucial role in my academic as well as personal development.
All Staff treat you like a family.
Though it's an engineering college, RSCOE has ensured that everyone will get
personal attention. College provides an opportunity to participate in many
extracurricular activities.As far placement is concerned RSCOE is providing good
placement offers too.
I will remain indebted to this college.
![Alternate

AlumniTestimonials/Nilesh-Chavanke.png)
Name : Nilesh Chavanke
Batch : 2014 - 2017 IT Engineering
Designation : Senior DevOps Engineer
Organization : ZF India
RSCOE is always performing beyond expectations in terms of academics,
extracurricular activities & professional growth of students.
It was great time I spent in IT department of RSCOE. RSCOE has wonderful
faculties with great infrastructure and campus environment.
T&P Department helped me to build leadership and management skills which
eventually became key for my success in corporate life.
![Alternate

Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Vignesh-Sundar.png)
Name : Vignesh Sundar
Batch : 2014-2017 EnTC Engineering
Designation : Software Security Test-Tools Developer
Organization : Volkswagen Infotainment GmbH
RSCOE has provided me with an exceptional educational experience. Throughout my engineering career, the teachers in my department (EnTC) were extremely helpful and supportive. Along with the technical knowledge imparted by my teachers, I was able to gain real-world management skills while working for TPC and technical fest. All of these abilities have molded me into the working professional that I am today.
So, without a doubt, RSCOE is a place where one can gain both technical knowledge and personality development, which is extremely important in today's world.
![Alternate Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Vrushabh-Jayesh-Kakkad.png)
Name : Vrushabh Jayesh Kakkad
Batch : 2018- 2021 IT Engineering
Designation : Associate Software Engineer Trainee
Organization : Tata Consultancy Services
RSCOE as an organization has always helped the students in shaping & moulding their career as per their interests & capabilities. Ranging from Technical to Non technical abilities, students are exposed to diversified learning skills.
As a Training & Placement Executive, I've learnt and explored my Management skills, presence of mind & problem solving abilities.
While the whole world was facing the pandemic, RSCOE formed Virtual Placement Cell for first time ever & I got a chance to be among the first members of same. Not letting students compromise their interests & career with pandemic obstacle, VPC went beyond the limits to provide students with Placement Opportunities.
At IT Department, I've learnt from great faculty team, who not just support students with academics but also consulting them to solve challenges in life. Different social activities, events helped me to overcome my barriers & develop myself.
![Alternate Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Sushant-Shetty.png)
Name : Sushant Shetty
Batch : 2014-2017 E&TC Engineering
Designation : Senior Automotive CyberSecurity Engineer
Organization : Continental/Elektrobit Automotive, Germany
My experience of studying at the E&TC department has led me on a path of self-discovery and has sharpened my technical wisdom. 4 years at RSCOE have taught me perseverance and dedication which, helped me adapt to the corporate world seamlessly.
Working with the TNP department has embedded the importance of self-belief and diligence in me, which has been the backbone of my career growth. I am proud to be part of the RSCOE family.
![Alternate Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Ms-Shraddha-Pandurang-Kale.png)
Name : Ms. Shraddha Pandurang Kale
Batch : 2014-2017 EnTC Engineering
Designation : Japanese Bilingual Software Development Senior Analyst
Organization : NTT DATA GDS, Pune.
Looking at those 3 awesome years of my life I feel like rewinding time and going back.
Healthy college environment, strict and helpful teachers, outcome-based practical labs industrial visits, wonderful friends, and the most interesting one is Japanese language class what is calling me back to those wonderful days of my college.
Apart from this the key role in my career was of Training and Placement Cell which groomed me for placements. Thorough efforts of Mr. S.P.Rao Borde sir and

team for practice of interviews, Groups discussions and motivation during tough times in JAPANESE classes was the kick for me to clear the placement drive of my current company NTT DATA GDS, Pune. Competition for this drive was with 3000+ students from all over the Maharashtra.

Training and Placement Cell also promoted guest lectures from experts and visits to Hinjewadi IT park specially at TCS Sahyadri park, Hinjewadi phase 3.

All in all the very great efforts from my college in my technical and Non-technical career which made me Bilingual Software Development Senior Analyst with 5 years of overall experience in Japanese software development environment (Onsite + Offshore), In addition to that I can now apply all those grooming skills during our training sessions to JAPANESE trainees visiting my office.

One more time special thanks to mu college どうもありがとうございました!!

![Alternate Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Siddhesh-Kabe.png)

Name : Siddhesh Kabe
Batch : 2004-2008 Computer Engineering
Designation : Technical Architect
Organization : IBM UK

RSCOE helped me get introduced to the core concept of Computer Science. I am eternally grateful because they helped explain the fundamentals of algorithms and data structures. These concepts are exceedingly used in my daily job as a technical architect to design enterprise solutions for companies. The college supported my ambition and guided me better during the final year project. The TPO department arranged multiple placement interviews during our third year and final year. We also were lucky to have received an additional soft-skills workshop that helped us improve our aptitude and interviewing skills. These classes were very helpful for someone like me who came from non-techie family background.

![Alternate Text](https://www.jspmrscoe.edu.in/Images/InternalPages/AlumniCorner/AlumniTestimonials/Vipul-Sharma.png)

Name : Vipul Sharma
Batch : 2003-2006 IT Engineering
Designation : Senior Technical Project Manager
Organization : Datametica Solutions Private Limited, Pune - India

RSCOE is a place where students excel in Technical as well as Soft skills. It's a renowned institute for overall development of your pupil which includes focused training on foreign languages, full time internship during the course apart from the syllabus designed to train students technically. Students become the most promising candidates to be absorbed in leading IT firms by the end of the academic program. RSCOE Campus is equipped with a very good library, state of the art labs, far-reaching alumni and lush Green campus.

The IT department of RSCOE is best known for industry connect programs wherein the syllabus is designed in collaboration with leading IT players. Labs are well equipped with latest software's required to train the students on current day cutting edge technologies. Department holds promising staff with headcount.

T&P office at RSCOE is one of the best departments of the institute and well known for best campus placements of the students. Performing students pick up a dream Job through the T&P office at RSCOE.

Department Of Computer Engineering
About Department:
The Department of Computer Engineering is established in the year of 2001 with
an initial intake of 45 students. From 2002 intake has been increased to 60. The
Computer Engineering Department is accomplished with full of energetic, well-
qualified and experienced faculty who is also involved in research, professional
activities inside & outside the campus. The department's academic results have
been consistently excellent in last five years. The department also motivates
the student to involve in extracurricular and co-curricular activities like
paper presentation, project competition, industrial visits etc. leading towards
the all-round development of our students. The Department entails well-
established laboratories with latest configuration. I hope the faculty and
students continue with the good work and bring laurels to the department.

Department Highlights

* Accredited consecutively in 4 cycles by National Board of Accreditation (NBA), New Delhi
  * Total 21 students are in university rank
  * Collaboration with TCS for curriculum development from FY BTech to Final Year BTech Computer Engineering
  * Remote Centre by IIT Bombay
  * Pune District Nodal Centre for Spoken Tutorials by IIT Bombay
  * International Certification from Microsoft, Coursera, Tedx offered to students
  * Students Internship in International Universities viz. University of Malaysia-Pahang, Malaysia, KMITL, Thailand
  * National / international, curricular / extra-curricular activities
  * MoUs with renowned industries for Internship, Sponsored projects and consultancy services
  * Special track of Industry Internship, Research, Higher studies and Entrepreneurship in final year
  * Conducive environment for Research, Patents and IPR
  * Overall development of students through Professional bodies like ACM (Association for Computing Machinery), CSI (Computer Society of India), IEEE, IEI (Institute of Engineers), and ISTE
  * Rotract Club rated as top 10 in India
  * Inclusive Development of Students through Coding Club, Research Cell, Sports Club, Arts and Crafts Club, and Entrepreneur Development Club Activities
  * Presence of Alumni across globe working with international brands viz. Amazon, Facebook, Microsoft, Oracle and Foreign Universities
  * Funding received from AICTE, ISTE, and SPPU
  * Ms. Harsha Ravindra Bhakare (B.E. Computer Engg.) is first in all Engineering branches in May 2020 result

About JSPM
Jayawant Shikshan Prasarak Mandal (JSPM) was established in 1998 with the
objective of creating centers of excellence for education in the field of
Engineering, Medical, Pharmacy, Management, Computers etc. This is by the vision
of Prof. Dr. T.J.Sawant, an Electrical Engineer who thinks that, "Development of
Techno–Entrepreneurial Society" is the key to achieve vision as perceived by our
Former PRESIDENT of India Dr. A.P.J. Abdul Kalam. JSPM Group of Institutes has
been successful in establishing Best Engineering, MBA, MCA, Pharmacy colleges
and Schools, spread across six campuses in Pune. JSPM imparts quality education
through right curriculum and innovative teaching methodologies at all its
campuses. JSPM Group of Institutes has evolved from single institute to 75+
institutes, spread in the vicinity of Pune. JSPM provides latest curriculum and
innovative teaching methodologies at all its campuses. JSPM implements a series
of vibrant education and leadership strategies for gaining unbeatable
competitive advantage from countrywide experts for a matchless growth beyond the
ordinary. JSPM provides students a vibrant academic experience that adheres to
stringent international quality standards, imbibes life skills among its
students, and prepares them to take up competitive careers and be successful in
life. Through extra curriculum activities, JSPM prepares dynamic students,
personally and professionally, to take up future leadership roles in a global
setting. The underlying vision of the JSPM is to nurture and engender creativity
in thought and innovation, thereby encouraging their students to follow an
unconventional path.
Changing Profile of Winner…!
Technology induced changes and the crumbling trade & travel barriers have thrown
up new opportunities, while stepping up competition in the work place.
Workplaces & transaction processes have changed immensely. In this new paradigm,
the profile of winners and leaders in this new age is changing too.
Enlarging Role & Responsibility…!
The Academic Institutes, are next to the family holding a special responsibility
of equipping the future workmen with the right attitudes and skills that would
help them become winners and leaders in this new information age. A modern
infrastructure, continuing realignment of curriculum and pedagogy and a
committed & skilled faculty are essential ingredients of new age academic
institutes.
Building Values…!
As Parents, We at JSPM are keen that the next generation avails the new
opportunities without losing their moral, cultural and ethical moorings.
Winning & Leading Attitude…!
We at JSPM, hold the special responsibility of equipping the future workmen with
the right attitudes and skills that would help them become winners and leaders
in this new information age. The State of Art Infrastructure, continuing
realignment of curriculum and pedagogy and a committed & skilled faculty are
essential ingredients of new age academic institutes. Prof. Dr. T. J. Sawant is
strongly convinced that establishment of excellent technical institutions is the
solution to the problem of development of techno-economic society. Driven by a
mission of providing an excellent quality education JSPM's society has left no
stone unturned in setting up Educational Institutes in Pune. At present there
are six Campuses.
  * Tathawade
  * Hadapsar

* Narhe

  * Wagholi
  * Bavdhan
  * Barshi

Honourable Founder Secretary's Message

Prof. Dr. T. J. Sawant Founder Secretary JSPM & TSSM Group of Institutions
Dear student's
Jayawant Shikshan Prasarak Mandal (JSPM) and The Shetkari Shikshan Mandal Sangli, Pune (TSSM) have been established with the objective of creating centres of excellence for education in the field of Engineering, Medical, Pharmacy, Management, and Computing. We visualise that a social transformation can be brought about through the medium of dynamic education. JSPM and TSSM are thus institutions of higher education with social commitment. With India & Indians, emerging as leaders across various professional sectors, it becomes an even greater challenge for the education sector to nurture and groom such abundant talent, which is all set to take industry's quest for excellence to dazzling new heights. It is in this same spirit of excellence, that we at JSPM have laid each brick. We, at RSCOE, have created a learning culture, a friendly environment that facilitates complete development of our students. Our three pronged focus on knowledge, skill and attitude is aimed at meeting the needs of our customers i.e. the industry. To achieve this we have hand-picked the best faculty from diverse fields & expertise. We have invested in state of the art facilities, infrastructure and skilled human resources to supplement the culture and environment of JSPM's and TSSM's good governance.Moreover it's our pledge to change in tandem with the changing requirements of the industry and mould, develop and nurture talent that will make the nation proud. I hope you would be one of those fortunate students who would get an admission to one of our colleges. I am certain that your life at our campus will be academically fruitful and otherwise pleasant. My best wishes to you for all the success in your professional career after graduation.

Guide To NewComers
Welcome to JSPM's Rajarshi Shahu College of Engineering (RSCOE)
We know you all have entered in RSCOE with lots of hope and dreams in your eyes. We will not let you down, we are going to help you to fulfill all your dreams. First of all, we would like to congratulate you all to get admission in the best college in Engineering Sector When the student joins the college, we welcome them whole heartedly and guide them where and whenever needed till they complete their graduation. Their will be two semesters in a year. The college working time will be from 8.30 am to 3. 30pm.The college will be working from Monday to Saturday except 1st and 3rd Saturday. All students must come in proper uniform on Monday, Wednesday and Friday. Students will be allowed in the campus only if they carry college I-card with them. We support advance learner to upgrade and enhance their knowledge by doing courses in MOOC, NPTEL etc.. and motivate them to participate in industry organized, inter-college and intra-college competitions. For Slow learners we conduct extra lecture and remedial lectures. We Motivate them to improve their learning skill by promoting them to participate in extra activities At the beginning of each year we conduct a 15 days induction program for the students where we make students aware about the department and institute profile, inform them about infrastructure facility, make aware about curriculum and assessment scheme and conduct expert talk, technical sessions by industrialist or academicians. We also conduct different activities to provide the students with opportunities to develop leadership, social responsibility, citizenship, volunteerism, and employment experience.
  * Clubs
  * SocialActivities
  * Electronics and Telecommunication
  * Professional Body Chapters
  * Innovision
  * Art Circle
  * Student Welfare Committees

Clubs Social Activities Newsletters and Magazines Professional Body Chapters Innovision Art Circle Student Welfare Committees
Apart from teaching learning process we engage students in different activities by invoving them in different clubs at college level and department level. At the college we are having different clubs and forums as follows
  1. Rotaract Club
  2. RSCOE Satellite Club
  3. Coding Club
  4. Entrepreneurship Development Cell
  5. Shaashwat Club
  6. Robotics and Automation
  7. Young Inspirartion Network
  8. Unnat Bharat Abhiyan
  9. SANKALP
  10. NSS

We also promote students to participate in social activities like
  1. Beti Bachao Abhiyaan
  2. Swachh Bharat Abhiyan
  3. Orientation and charity programs for orphanage, old age homes, mentally retarded and blind children
  4. Health check-up camps and Blood donation camps
  5. Computer Literacy – Educating school students in rural areas about computers and its use
  6. Digital awareness programs like cashless transaction during demonetization
  7. Tree Plantation- Environmental awareness
  8. We also provide students with Medical help in the campus, personal counselling and Career Counselling. Medical Counselor is Available in the Institute. We have MOU with Aditya Birla Memorial Hospital and Bhoir Hospital

We have Newsletter and Magazines at Institutional Level and Department Level as given below
1. Kalavishkar-Institute Level
2. Wall Magazine -Institute Level
3. Srujan-Mechanical Engineering Department
4. Reflection-Information Technology Department
5. Nirman-Civil Engineering Department
6. Horizon- E&TC Department
7. Tree Plantation- Environmental awareness
8. Rainbows-Engineering Sciences

We have Professional Body Chapters for students under which different activities are conducted. Few of the Professional Body Chapters are listed below
1. IEEE-Institute of Electrical and Electronics Engineers
2. ISTE-Indian Society for Technical Education
3. ACM- Association for Computing Machinery
4. IEI-Institution of Engineers, India
5. CSI-Computer Society of India
6. ICI
7. IGS
8. ISHRAE- Indian Society of Heating, Refrigerating and Air Conditioning Engineers
9. ISME
10. SAE- Society of Automotive Engineers
11. IETE- Institution of Electronics and Telecommunication Engineers

A national level technical event called "INNOVISION" is organized at the institute by the students every year.Annual social gathering is a long-awaited event and provides platform for the students to exhibit their talent and artistic skills. A full week is devoted for various indoor sports activities during annual social gathering called as "GANDHARVA".
Rangbhumi is an amalgamation of the artistic elements comprising of acting, dance, music, skectching, painting and various related things. Hiphoppers are the college Dance Gladiators, Hiphoppers was formed by our students 12 years ago, a platform for those who considered dance as a serious form of art and intend to make a difference through dancing.
For us, our first priority is always students, so keeping this in mind we have formed different committee at college level for students to help them in their various problem
1. Anti Ragging Committee
2. Anti Ragging Committee
3. Students Grievances & Redressal Committee
4. Internal Complaint Committee
5. Committee for SC/ ST
6. Sexual Harassment Committee
7. Student Council Committee
8. Research and Development Committee
9. Library Committee
10. Hostel Committee
11. Right to Information (RTI) Committee
12. Sports Co-ordination Committee
13. Canteen Co-ordination Committee

1. Transport Co-ordination Committee
2. Activity Club Co-ordination Committee
3. Safety and securities
4. News and Press Notes/Publicity Committee
5. Discipline Committee
6. Staff and student welfare committee
7. NSS Activities Committee
8. Professional Societies and Chapters Committee

9. Alumni Association Co-ordination
10. Mentoring /Counseling Committee
11. Women Empowerment Cell
12. Annual Technical Event Co-ordination (Innovision) Committee
13. Annual Cultural and Sports (Gandharv) Co-ordination Committee
14. Annual Magazine Committee

Office of International Relations (OIR)
The Office of International Relations (OIR) of RSCOE strives hard for partnerships with outstanding academic and other institutions, universities across the globe. The vision behind this is to expand the student experience of learning, Enhance exposure to various academic cultures, faculty growth and contributions, and the impact of our research.
International Programs
Faculty Exchange Programs
The programs are designed to facilitate platforms for various faculties around the world to visit Indian institutions for collaborations and research projects. It goes on to create channels for Indian faculties to visit Universities all across the world.
Student Exchange Programs
The programs provide Opportunities for Indian Students to study in the various Universities across the world for a specified period. They also provide learning

platforms for students from around the world to study in India.
Study Abroad Programs
The program is designed to create full time study opportunities for students to further their studies in various countries across the world. The process includes assistance in admission procedures, counseling to students and training students in IELTS.

Why Accreditation
Why Accreditation
Education plays a vital role in the development of any nation. Therefore, there is a premium on both quantity (increased access) and quality (relevance and excellence of academic programmes offered) of higher education. The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) has been set up to facilitate the volunteering institutions to assess their performance vis-a-vis set parameters through introspection and a process that provides space for participation of the institution. The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) conducts assessment and accreditation of Higher Educational Institutions (HEI) such as colleges, universities or other recognized institutions to derive an understanding of the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organisation, governance, financial well being and student services.

Vision
To make quality the defining element of higher education in India through a combination of self and external quality evaluation, promotion and sustenance initiatives.

Mission
  * To arrange for periodic assessment and accreditation of institutions of higher education or units thereof, or specific academic programmes or projects.
  * To stimulate the academic environment for promotion of quality of teaching-learning and research in higher education institutions.
  * To encourage self-evaluation, accountability, autonomy and innovations in higher education.
  * To undertake quality-related research studies, consultancy and training programmes.
  * To collaborate with other stakeholders of higher education for quality evaluation, promotion and sustenance.

Value Framework
  * Contributing to National Development.
  * Fostering Global Competencies among Students.
  * Inculcating a Value System among Students.
  * Promoting the Use of Technology.
  * Quest for Excellence.

Benefits of Accreditation
  * Institution to know its strengths, weaknesses, and opportunities through an informed review process.
  * Identification of internal areas of planning and resource allocation.

* Collegiality on the campus.
  * Funding agencies look for objective data for performance funding.
  * Institutions to initiate innovative and modern methods of pedagogy.
  * New sense of direction and identity for institutions.
  * The society look for reliable information on quality education offered.
  * Employers look for reliable information on the quality of education offered to the prospective recruits.
  * Intra and inter-institutional interactions.

Accreditation at Rajarshi Shahu College Of Engineering
The RSCOE is accredited by NAAC with **A grade (CGPA 3.26)**. All undergraduate programs are accredited by **National Board of Accreditation (NBA)** , New Delhi in three cycles 2012- 13, 2014-15 and 2018-19 which is valid upto 30 June 2022 . RSCOE has received the best college award (Professional category) in 2012-13 by Savitribai Phule Pune University (SPPU), Pune. RSCOE has received platinum grade in AICTE CII survey. RSCOE has recognition for 2(f) & 12B by UGC and also has permanent affiliation to SPPU.
Jayawant Shikshan Prasarak Mandal's Rajarshi Shahu College of Engineering (RSCOE), Tathawade Pune-411033 has granted **autonomous status from UGC** for a period of ten years w.e.f 2018-2019 to 2027-2028.
JSPMs Rajarshi Shahu College of Engineering,Tathawade Pune-33 approved as Mentor Institute under the scheme of **'PARAMARSH'** for Mentoring NAAC Accreditation aspirant Institutions to promote Quality Assurance in Higher Education.

General Information TPO's Message Major Recruiters Training and Placement Videos SPIR Team Placement Statistics Internship List Of MoU's Projects Field Projects
General Information
Students' Progression and Industry Relations Cell (SP & IR) works on creating employment and progression opportunities for students. To enhance the employability of our students, SP &IR Cell provides various essential training programmes like soft skills, aptitude skills, and basic technical skills through internal and external experts. Apart from providing job opportunities,internships, the SP & IR Cell works closely with the Entrepreneur Development Cell, Foreign University Relations Cell, and Alumni Association Cell, ensuing a conducive environment for student progression. _Higher education_ abroad is a platform for students to acquire relevant guidance on higher education abroad. Besides this, the SP&IR Cell provides a sound ecosystem for budding entrepreneurs. RSCOE has signed MoUs with TCS, Bentley Systems, Zensar Technologies, TAL and more than 20 other corporations. SP&IR Cell harnesses their support for delivering training on Japanese, German and French languages, designing industry centric curriculum , training students on Software Development , software testing, Automation & Robotics.
Major Activities Carried out in Training and Placement Cell
  * Mock interviews for final year students.

* Personal Counselling and coaching to the students.
  * Sessions on Higher Education Opportunities.
  * Career Guidance.
  * Internships and Projects.
  * Placements.

SP&IR Cell -Activities & Training
  * Provides training on Aptitude skills, Soft skills & Technical skills.
  * Prepares students for placement preparation.
  * Counsels students.
  * Conducts mock interviews and Company-specific mock online tests.
  * Counsels for Competitive exams like GATE, CAT, GRE,TOEFL, IELTS.
  * Career Guidance.
  * Internships and Projects.
  * Sessions on Higher Education Opportunities.

SP&IR Cell - Accomplishments
  * Zensar ESD (Employability Skill Development) Training.
  * Workshop on Company Specific Aptitude.
  * Communication skills Development sessions.
  * Group discussion sessions
  * Personal interview sessions
  * Technical interviews session.
  * Counseling and Mentoring.
  * Assessment Test (Cocubes & AMCAT).
  * Japanese Language Training Program

SP&IR Cell - Conduct
  * Aptitude Training is provided to TE students
  * Soft Skills training to all TE and BE students
  * Group Discussion preparation.
  * Mock Interview Sessions
  * Internship opportunities.

SP&IR Cell - Facilities
  * RSCOE is the only 3rd College apart from COEP & PICT that has featured in
TCS Digital Hiring with day 0 offer of 7 Lacs/Anum.
  * RSCOE has consistently delivered 100-130 day 1 offers since last 5 years.
It's one of the best numbers for TCS across Maharashtra.
  * RSCOE provides a platform for Japanese, French, German Language training in
the campus.
  * Zensar technologies trains more than 300 students on software development
and software testing skills within the campus

TPO's Message

Dr. Saurabh Tayde Dean (Student Progression and Industry Relations) E-mail:
tpo@jspmrscoe.edu.in Phone Number: +91 9552046715/9579408221
From The Dean of SI&IR's Desk,
"I would like to introduce our campus, Rajarshi Shahu College of Engineering
(RSCOE), an autonomous institute which is in the band 250 to 300 of MHRD-NIRF
2022 and is also accredited by NAAC and NBA. Our college is the flagship
institute of JSPM and TSSM Group of Institutes, Pune, Maharashtra. RSCOE is now
also known as TEDxJSPM RSCOE. Being an autonomous institute, the companies like
Veritas, TCS, KPIT & Persistent Systems, Bentley Institute, IIT Ropar, and
Builders Association of India contributed to the curriculum integration, giving
an opportunity to students from various social and economic backgrounds to be
part of excelling in higher education. The scope of work of the Jspm's RSCOE
SP&IR Cell is to help students identify their career aspects and provide

prerequisites for the present-day competitive job market.It extends from organising workshops to providing internships to students in various organizations, so it prepares students for the final placements, gives them a sense of responsibility, and provides an opportunity to experience a workplace environment. RSCOE promotes interdisciplinary skills, a coding environment, and foreign languages like English, Japanese, French, and German, right from the first year. The branches that are available for hiring include Computer, IT, ENTC, Mechanical, Civil, Electrical, MCA, MBA, and Polytechnic Diploma. Some of our recruiters are Amazon, Veritas, Neutanix, KPIT, Bentley Institute, Builders Association of India, Persistent, Accenture, TCS, Capgemini, Zensar Technologies, BOSCH, Continental Automotive, Tech Mahindra, and many others. The number of offers for the previous year for RSCOE was 1030+ and unique offers were 640+ for an intake of 720. 3000+ offers were achieved at JSPM and TSSM group level. It is a matter of gratification for the institute to take this opportunity to invite potential companies to experience and evaluate the intellectual competency, skills, and talent of our students and induct them into their esteemed organizations."

Internship
  * We , at SP&IR cell of RSCoE support the students for 06 months internship with various companies from IT, Core and other fields.
  * During the internship, institute takes the continuous assessment of the students through couple of presentations. The feedback is taken from the reporting managers of the respective organizations
  * Six months Internship enables the students to become employable, confident and market ready and also this may lead to a pre placement offer (PPO)
  * We have offered 6 months internships to 900+students of final year.
  * Out of 900 students 350+ students got internships in core companies.
  * Student placed in Amazon at 42 LPA on campus

List of Mou's 2021-22
  * MoU Signed with Capgemini (AppsNA I-Transform, Cloud BU).
  * MoU With Accenture (Japanese Language).
  * MoU With Indovance.
  * MoU with TCS (Syllabus Integration for CSBS & Japanese Language &curriculum deign and development).

* MoU With Tech Mahindra (Centre of excellence, Cloud).
  * MoU With IIT Ropar (Curriculum Integration).
  * MoU With KPIT (Curriculum Design and development(Automotive Electronics, NOVA).
  * MoU With Builders' Association of India.
  * MoU With Bentley Institutes (Software).

About JSPM

Jayawant Shikshan Prasarak Mandal (JSPM) was established in 1998 with the objective of creating centers of excellence for education in the field of Engineering, Medical, Pharmacy, Management, Computers etc. This is by the vision of Prof. Dr. T.J.Sawant, an Electrical Engineer who thinks that, "Development of Techno–Entrepreneurial Society" is the key to achieve vision as perceived by our Former PRESIDENT of India Dr. A.P.J. Abdul Kalam. JSPM Group of Institutes has been successful in establishing Best Engineering, MBA, MCA, Pharmacy colleges and Schools, spread across six campuses in Pune. JSPM imparts quality education through right curriculum and innovative teaching methodologies at all its campuses. JSPM Group of Institutes has evolved from single institute to 75+ institutes, spread in the vicinity of Pune. JSPM provides latest curriculum and innovative teaching methodologies at all its campuses. JSPM implements a series of vibrant education and leadership strategies for gaining unbeatable competitive advantage from countrywide experts for a matchless growth beyond the ordinary. JSPM provides students a vibrant academic experience that adheres to stringent international quality standards, imbibes life skills among its students, and prepares them to take up competitive careers and be successful in life. Through extra curriculum activities, JSPM prepares dynamic students, personally and professionally, to take up future leadership roles in a global setting. The underlying vision of the JSPM is to nurture and engender creativity in thought and innovation, thereby encouraging their students to follow an unconventional path.

Changing Profile of Winner…!

Technology induced changes and the crumbling trade and travel barriers have thrown up new opportunities, while stepping up competition in the work place. Workplaces & transaction processes have changed immensely. In this new paradigm, the profile of winners and leaders in this new age is changing too.

Enlarging Role & Responsibility…!

The Academic Institutes, are next to the family holding a special responsibility of equipping the future workmen with the right attitudes and skills that would help them become winners and leaders in this new information age. A modern infrastructure, continuing realignment of curriculum and pedagogy and a committed & skilled faculty are essential ingredients of new age academic institutes.

Building Values…!

As Parents, We at JSPM are keen that the next generation avails the new opportunities without losing their moral, cultural and ethical moorings.

Winning & Leading Attitude…!

We at JSPM, hold the special responsibility of equipping the future workmen with the right attitudes and skills that would help them become winners and leaders in this new information age. The State of Art Infrastructure, continuing realignment of curriculum and pedagogy and a committed & skilled faculty are essential ingredients of new age academic institutes. Prof. Dr. T. J. Sawant is strongly convinced that establishment of excellent technical institutions is the solution to the problem of development of techno-economic society. Driven by a mission of providing an excellent quality education JSPM's society has left no stone unturned in setting up Educational Institutes in Pune. At present there are six Campuses.

  * Tathawade
  * Hadapsar
  * Narhe

  * Wagholi
  * Bavdhan
  * Barshi

The institution has a stated Code of Ethics for research and the implementation of which is ensured through the following: 1. Inclusion of research ethics in the research methodology course work 2. Presence of institutional Ethics committee (Animal, Chemical, Bio-ethics etc.) 3. Plagiarism check through software 4. Research Advisory Committee | 1) Kindly Provide web link on the institutional website which should lead to the landing page where Code of Ethics for research is hosted.

3.4.2 | Number of candidates registered for Ph.D per teacher during the last five years 3.4.2.1. Number of candidates registered for Ph.D during the last 5 years: | 1) Provide authenticated list showing Number of candidates registered for Ph.D per teacher during the last five years duly signed by competent authority 2) Provide authenticated Document of registration of the research scholar indicating the guide's name from the HEI. 3) Provide Copy of the joining letter(s) of Ph.D. students joining in the institution along with the copy of the proceedings of Vice Chancellor for admission into Ph.D.

3.4.3 | Number of research papers published per teacher in the Journals as notified on UGC CARE list during the last five years 3.4.3.1. Number of research papers in the Journals notified on UGC CARE list year wise during the last five years | 1) Provide authenticated list showing Number of research papers published per teacher in the Journals as notified on UGC CARE list during the last five years duly signed by competent authority 2) Provide Links to the paper published in journals listed in UGC CARE list 3) Provide Link re-directing to journal source-cite website in case of digital journals.

3.4.4 | Number of books and chapters in edited volumes published per teacher during the last five years 3.4.4.1. Total Number of books and chapters in edited volumes published during the last five years | 1) Provide authenticated list showing Number of books and chapters in edited volumes published per teacher during the last five years duly signed by competent authority 2)Provide Copy of the Coverpage, content page and first page of the publication indicating ISBN number and year of publication forbooks/chapters

3.5.1 | Revenue generated from consultancy and corporate training during the last five years 3.5.1.1. Total Amount generated from consultancy and corporate training year wise during last five years (INR in lakhs) | 1) Input edited as amount should be in lakhs 2) Provide Institutional consultancy Policy document for revenue sharing. 3) Provide Audited statements of accounts indicating the revenue generated through corporate training/consultancy.

3.6.2 | Number of extension and outreach programs conducted by the institution through organized forums including NSS/NCC with involvement of community year wise during the last five years 3.6.2.1. Number of extension and outreach programs conducted by the institution through organized forums including NSS/NCC with involvement of community year wise during the last five years. | 1) Provide authenticated list showing Number of extension and outreach programs conducted by the institution through organized forums including NSS/NCC with involvement of community year wise during the last five years duly signed by competent authority 2) Provide authenticated Detailed report for each extension and outreach program to be made available, with specific mention of number of students participated and the details of the collaborating agency

3.7.1 | Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years | 1) Provide authenticated list showing Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years duly signed by competent authority 2) Provide authenticated List of year wise activities and exchange

Criteria 4

Metric ID	Deviations of Extended Question	Findings of DVV	Attachments

4.1.2 | Percentage of expenditure excluding salary, for infrastructure development and augmentation year wise during the last five years 4.1.2.1. Expenditure for infrastructure development and augmentation, excluding salary year wise during last five years (INR in lakhs) | 1) Kindly provide consolidated documents showing Percentage of expenditure excluding salary, for infrastructure development and augmentation year wise during the last five years duly signed by competent authority 2) Provide Audited income and expenditure statement of the institution to be signed by CA and counter signed by the competent authority (relevant expenditure claimed for infrastructure augmentation should be clearly highlighted)

4.2.2 | Percentage of expenditure for purchase of books/ e-books and subscription to journals/e-journals year wise during the last five years 4.2.2.1. Expenditure for purchase of books / e-books and subscription to journals/e-journals year wise during last five years (INR in lakhs) |) Provide consolidated documents showing Percentage of expenditure for purchase of books/ e-books and subscription to journals/e-journals year wise during the last five years duly signed by competent authority 2) Provide Audited income and expenditure statement of the institution to be signed by CA and counter signed by the competent authority (relevant expenditure claimed for purchase of books/ e-books and subscription to journals/e-journals should be clearly highlighted)

4.3.2 | Student - Computer ratio (Data for the latest completed academic year) 4.3.2.1. Number of computers available for students' usage during the latest completed academic year: | 1) Provide Purchased Bills/Copies with GST paid invoice highlighting the no. of Computer systems even before assessment period

4.4.1 | Percentage expenditure incurred on maintenance of physical facilities and academic support facilities excluding salary component, during the last five years 4.4.1.1. Expenditure incurred on maintenance of physical facilities and academic support facilities of DDE and total expenditure excluding salary, year - wise, over the last five years (INR in lakhs) | 1) Provide consolidated documents showing Percentage expenditure incurred on maintenance of physical facilities and academic support facilities excluding salary component, during the last five years duly signed by competent authority 2) Provide Audited income and expenditure statement of the institution to be signed by CA and counter signed by the competent authority (relevant expenditure claimed for maintenance of physical facilities and academic support facilities should be clearly highlighted)

Criteria 5

Metric ID	Deviations of Extended Question	Findings of DVV	Attachments

5.1.1 | Percentage of students benefited by scholarships and freeships provided by the institution, government and non-government bodies, industries, individuals, philanthropists during the last five years 5.1.1.1. Number of students benefited by scholarships and freeships provided by the institution, Government and non-government bodies, industries, individuals, philanthropists year wise during last five years | 1) Provide authenticated list showing Percentage of students benefited by scholarships and freeships provided by the institution, government and non-government bodies, industries, individuals, philanthropists during the last five years duly signed by competent authority 2) Provide Official order of Sanction student list from the granting agency is mandatory for Government and Non-Government scholarship. 3) Provide Audited Statement showing the expenditure on scholarships / freeships etc from Institution / non- government agency.

5.1.3 | Following capacity development and skills enhancement activities are organised for improving students' capability 1. Soft skills 2. Language and communication skills 3. Life skills (Yoga, physical fitness, health and hygiene, self-employment and entrepreneurial skills) 4. Awareness of trends in technology | 1) Provide authenticated documents regarding the attendance and certificates 2) Provide authenicated Report with photographs on programmes conducted for awareness of trends in technology

5.1.4 | The institution adopts the following for redressal of student grievances including sexual harassment and ragging cases 1. Implementation of guidelines of statutory/regulatory bodies 2. Organisation wide awareness and undertakings on policies with zero tolerance 3. Mechanisms for submission of online/offline students' grievances 4. Timely redressal of the grievances

through appropriate committees | 1) Provide Minutes of the meetings / Report of the grievance from the concerned committee 2) Provide Proof w.r.t Organisation wide awareness and undertakings on policies with zero tolerance 3) Provide Proof related to Mechanisms for submission of online/offline students' grievances 4) Provide Proof for Implementation of guidelines of statutory/regulatory bodies 5) Provide authenticated Details of statutory/regulatory Committees (to be notified in institutional website also) 5) Provide authenticated Annual report of the committee monitoring the activities and number of grievances

5.2.1 | Percentage of placement of outgoing students and students progressing to higher education during the last five years 5.2.1.1. Number of outgoing students placed and progressed to higher education during the last five years | 1) Provide authenticated list showing Percentage of placement of outgoing students and students progressing to higher education during the last five years duly signed by competent authority 2) Provide appointment orders of students

5.2.2 | Percentage of students qualifying in state/ national/ international level examinations out of the graduated students during the last five years (eg: NET/SLET/ Civil Services/State government examinations etc.) 5.2.2.1. Number of students qualifying in state/ national/ international level examinations (eg: NET/SLET/Civil Services/State government examinations etc.) year wise during last five years | 1) Provide authenticated list showing Percentage of students qualifying in state/ national/ international level examinations out of the graduated students during the last five years (eg: NET/SLET/ Civil Services/State government examinations etc.) duly signed by competent authority 2) Provide certificate of students

5.3.1 | Number of awards/medals for outstanding performance in sports/cultural activities at University / state /national / international Level events during the last five years 5.3.1.1. Number of awards/medals for outstanding performance in sports/cultural activities at University / state / national / international level events (award for a team event should be counted as one) year wise during last five years | 1) Kindly provide authenticated list showing Number of awards/medals for outstanding performance in sports/cultural activities at University / state /national / international Level events during the last five years duly signed by competent authority 2) Provide links to e-copies of award letters and certificates

5.3.3 | The institution conducts / organizes following activities: 1. Sports competitions/events 2. Cultural competitions/events 3. Technical fest/Academic fest 4. Any other events through Active clubs and forums | 1) Provide authenticated Report on Sports, Cultural competitions/events, Technical/academic fests, Any other events through active clubs and forums along with photographs appropriately dated and captioned (whichever is applicable) 2) Provide authenticated List of students participated in different events year wise signed by the head of the Institution

5.4.1 | Total Amount of alumni contribution during the last five years (INR in lakhs) to the institution through registered Alumni association: 5.4.1.1. Total Amount of alumni contribution during the last five years (INR in lakhs) to the institution year wise through registered Alumni association: | 1) Provide authenticated List of alumnus/alumni with the amount contributed year-wise 2) Provide Annual audited statements of accounts of the HEI highlighting the Alumni contribution duly certified by the Chartered Accountant/Finance Officer.

Criteria 6

Metric ID	Deviations of Extended Question	Findings of DVV	Attachments
6.2.2	Institution implements e-governance in its operations. e-governance is implemented covering the following areas of operations: 1. Administration including complaint management 2. Finance and Accounts 3. Student Admission and Support 4. Examinations	1) Provide Bills for the expenditure on implementation of e- governance in the areas of operation 2) Provide Annual e-governance report approved by the Governing Council/ Board of Management/ Syndicate Policy document on e-governance
6.3.2	Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years 6.3.2.1. Number of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies year-wise during the last five years	1) Provide authenticated list

showing Percentage of teachers provided with financial support to attend conferences/workshops and towards membership fee of professional bodies during the last five years duly signed by competent authority 2) Provide participation certificates and attendance of teachers

6.3.3 | 1) Provide authenticated list showing Percentage of teachers undergoing online/ face-to-face Faculty Development Programmes (FDPs)/ Management Development Programmes (MDPs) during the last five years Percentage of teachers undergoing online/ face-to-face Faculty Development Programmes (FDPs)/ Management Development Programmes (MDPs) during the last five years duly signed by competent authority 2)Provide authenticated Annual reports highlighting the programmes undertaken by the teachers. 3) Provide Refresher course/Faculty Orientation or other programmes as per UGC/AICTE stipulated periods, as participated by teachers year-wise

6.4.2 | Funds / Grants received from government bodies, non-government bodies, and philanthropists during the last five years (not covered in Criterion III and V) 6.4.2.1. Total Grants received from government/non-government bodies, philanthropists year wise during last five years (not covered in Criterion III and V) (INR in Lakhs) | 1) Provide Audited statement highlighting the Funds / Grants received from government bodies/non government during the last five years for development and maintenance of infrastructure (not covered under Criteria III and V) (INR in Lakhs) endorsed by the chartered accountant.

6.5.3 | Institution has adopted the following for Quality assurance: 1. Academic and Administrative Audit (AAA) and follow up action taken 2. Conferences, Seminars, Workshops on quality conducted 3. Collaborative quality initiatives with other institution(s) 4. Orientation programme on quality issues for teachers and students 5. Participation in NIRF and other recognized ranking like Shanghai Ranking, QS Ranking Times Ranking etc 6. Any other quality audit recognized by state, national or international agencies | 1) Provide authenticated List of Collaborative quality initiatives with other institution(s) along with brochures and geo-tagged photos with caption and date 2) Provide Link to Minute of IQAC meetings, hosted on HEI website

Criteria 7

Metric ID	Deviations of Extended Question	Findings of DVV	Attachments
7.1.2	The Institution has facilities for alternate sources of energy and energy conservation measures 1. Solar energy 2. Biogas plant 3. Wheeling to the Grid 4. Sensor-based energy conservation 5. Use of LED bulbs/ power efficient equipment 6. Wind mill or any other clean green energy	1) Provide Permission document for connecting to the grid from the Government/ Electricity authority
7.1.4	Water conservation facilities available in the Institution: 1. Rain water harvesting 2. Borewell /Open well recharge 3. Construction of tanks and bunds 4. Waste water recycling 5. Maintenance of water bodies and distribution system in the campus	1) Provide complete details with additional photographs that are recently taken and are geo-tagged
7.1.6	Quality audits on environment and energy are regularly undertaken by the institution The institutional environment and energy initiatives are confirmed through the following 1. Green audit / Environmental audit 2. Energy audit 3. Clean and green campus recognitions/awards 4. Beyond the campus environmental promotion and sustainability activities	1) Provide Green audit/environmental audit report from recognized bodies 2) Provide Certificates of the awards received from recognized agency (if any). 3) Kindly provide complete details with additional photographs that are recently taken.
7.1.10	The Institution has a prescribed code of conduct for students, teachers, administrators and other staff and conducts periodic programmes in this regard. 1. The institutional Code of Conduct principles are displayed on the website 2. There is a committee to monitor adherence to the institutional Code of Conduct principles 3. Institution organizes professional ethics programmes for students, teachers, administrators and other staff 4. Annual awareness programmes on Code of Conduct are organized	1) Provide Constitution and proceedings of the monitoring committee. 2) Provide Circulars and geo-tagged photographs with date and caption of the activities organized under this metric for teachers, students, administrators and other staff. 2) Provide complete details of code of conduct

Director's Message

Dr. Santosh Bhosle
Professor and Director, JSPM's Rajarshi Shahu College of Engineering, Tathawade, Pune
Dear student's
It is with immense pride, that I introduce you to an entirely new approach of learning in our college. An approach, where traditional methods of learning go hand in hand with modern learning techniques, keeping with the current trends and technology. We facilitate our students to excel academically and to develop their personalities in diverse fields. To this end, we have complemented academics with other developmental activities such as performing arts, sports, hobbies and technical clubs, to name a few. Each student is encouraged to explore their areas of interest and to develop their talent to the maximum. Our teaching staff is dedicated and knowledgeable in their subjects. They have a passion to pass on this enthusiasm to each student and to inculcate in them the spirit of curiosity and learning. Atttention is given to each student to focus on their strengths and to develop confidence. This would stand them in good stead, once student graduates from our college, to encounter life's problems on their own We, at Rajarshi Shahu College Of Engineering, strive to cultivate students who are not only successful in their personal and professional fields, but who take upon themselves the challenge to fetch science and technology to the doorsteps of the common man and to propel India as the leader in the emerging technologies We welcome you to our college to interact with our staff.

After your visit to our campus, you will feel assured about the excellent infrastructure we have developed. This will enable you to choose the best for your child. We believe that you are coming here with many dreams, we will help you to bring these into reality. We at RSCOE are excited to welcome all young students to experience the memorable and impressive voyage of a blend of learning to practice and applying the knowledge and skills, relevant to engineering. RSCOE is a Nex-Gen-centric institution aspiring to develop- bright, diligent and inquisitive engineers. RSCOE assures you an excellent ambience having ergonomically designed classrooms along with committed and motivated faculty facilitating you to discern the latent potential and also steer you through the route of structuring your competencies for winning – 'The Professional Challenges'. We advocate the belief that good academics coupled with overall personality development will lead to placements, higher studies and entrepreneurs and hence strongly promote the conviction of active participant in the system. Research is the ideal platform to provide an opportunity for students to innovate, explore and evolve. Apart from creating an academic environment, students are motivated to excel in co-curricular, extra-curricular and community developmental activities. Our ultimate aim has always been: Bringing the best out of every student - leading to a 'Complete Professional' ready to conquer the globalizing world at the end of their stay in the institute.

Department of Computer Applications
About Department
Education is not an act of acquiring knowledge but learning a skill to lead life and forming one's personality. MCA programme under JSPM's Rajarshi Shahu College of Engineering has started in the Academic Year 2003-2004 whereas BCA programme introduced in 2024-2025 with an Objective to provide quality technical education and excellence in the ever expanding horizon of technical education of the 21st century to all the aspiring students.
We have excelled in every initiative that we undertook and we have stood together in facing the challenges in providing quality education to students. Department of Computer Applications contains faculty members which are a mix of industrial and academic expertise.
The Department of Computer Applications is not only active in research but also in encouraging students for curricular and extracurricular activities. The department prepares students for a broad range of careers in Government sector, software industries, Entrepreneurship by hands on trainings, projects, skill development programs, ethics education for management. Department of Computer Applications is a hub of activity with students having the opportunity to truly engage themselves in active learning through effective participation in Workshops, Seminars, Certification Programs, Tech-Fest, Innovative R&D Programs and Industrial visits.
Department of Computer Applications has MOUs with industries like DSR Group of Companies, Giri's Tech Hub Pvt. Ltd., and Barclay Training ltd. for Training, Internships and Placements. The department also has tie up various professional bodies like ISTE and CSI.
Department of Computer Applications organized various events under student association which helps to improve their academic as well as co-curricular skills.

Department Highlights
  * Accredited by National Assessment and Accreditation Council .
  * State of art laboratories and use of ICT teaching facilities.
  * MoUs signed with Amezatic Solutions, Elite Software, Pure Technology, placements, seminars and workshops.
  * Student centric concurrent evaluation process.
  * Implementation of Audit courses increases self-enrichment and academic exploration.
  * Implementation of electives helps to cultivate interest and explore new subjects.
  * Members of Professional Student Chapters under ISTE, CSI
  * Promotes healthy practices such as community services, extension services, projects for the benefit of society at large.
  * Cultivation of values and ethics through various programs.
  * Workshops, seminars and expert lectures by eminent personalities at National and International level.
  * EDC cell to create Awareness about entrepreneurship by conducting the workshops and special seminars.
  * Soft skills training for students through highly experienced & trained faculty team. Excellent Result, Placement and University Rank holders.
  * Industry Centric Courses are integrated into the curriculum with autonomy
  * Project based learning teaching is designed to give students the opportunity to develop knowledge and skills through engaging projects set around challenges and problems they may face in the real world.
  * Foreign Language Training includes German, French and Japanese
  * Some of the Alumnus has own IT companies who annual turnover is 2crore approx.
